MANGA MONTH 2017!

I got my first taste of Japanese manga in the early '80s while working at legendary Northern California comic shop chain, Comics & Comix. We had great people working in our Bay Area locations who somehow found early sources for Japanese language manga and toys, and each month we'd get big boxes delivered to our Citrus Heights store, filled with manga, die-cast robots and vehicles, and vinyl figures of Ultraman monsters and heroes. Needless-to-say, I basically spent my paycheck on Japanese robots and monsters, and giant robot manga every two weeks! It was a great time to be a collector, and being the guy behind the counter didn't hurt either.

アニメ ANIME ALL ACCESS

読漫画 MANGA MONTH

In fact, it's still pretty great to be the guy behind the counter (desk… whatever!), as I get to see all of these great things before they get into ***PREVIEWS*** and your local comic shop. This month, we're once again celebrating our annual tribute to the twin fandoms of Manga and Anime with *MANGA MONTH*! Anime and manga are as popular as ever, with a new group of publishers collecting and translating Japanese comics, and anime getting their own cable networks and streaming services. Here in 2017, Manga and Anime influence every aspect of our modern world with their design sense and unique style.

And we here at ***PREVIEWS*** are glad to once again bring you an issue packed with new and classic manga titles from some of our industry's top publishers. And don't get me started on the manga and anime-influenced toys and collectibles to be found in our IMPORT TOYS section. You'll find page after page of sexy anime girls, giant robots, American comics characters re-imagined by Japanese artisans, and much much more! It's no wonder that IMPORT TOYS is my favorite section in the catalog, there's so much great stuff in there (including the latest figure from Bandai's S.H.Figuarts x Ultraman series, *Ultraman Orb*)!

Elsewhere in the issue, Viz Media celebrates the 20th Anniversary of their *Pokemon Adventures* manga series with an all-new art book, and a Reading Guide to the entire run of the series! I'd never realized that *Pokemon* had been published for 20 years… but I guess it makes sense. Then again, I've been here long enough, I should have noticed, am I right?!

FREE COMIC BOOK DAY
1st Saturday in May - May 6, 2017
www.freecomicbookday.com

Finally, I hope you all enjoyed yourselves last month at **Free Comic Book Day 2017**! I went to my favorite shop, *Cards, Comics & Collectibles*, and hung out with owner Marc Nathan, stalwart counterman and manager Chuck Fitzsimmons, and the capacity crowd that gathered there on May 6th to grab some free comics, talk about comics (and *Guardians of the Galaxy Vol. 2*!), and to visit with friends. A good time was had by all… and I hope it went well for you and your favorite store too.

That's all for this month! I'll see you in our July issue!

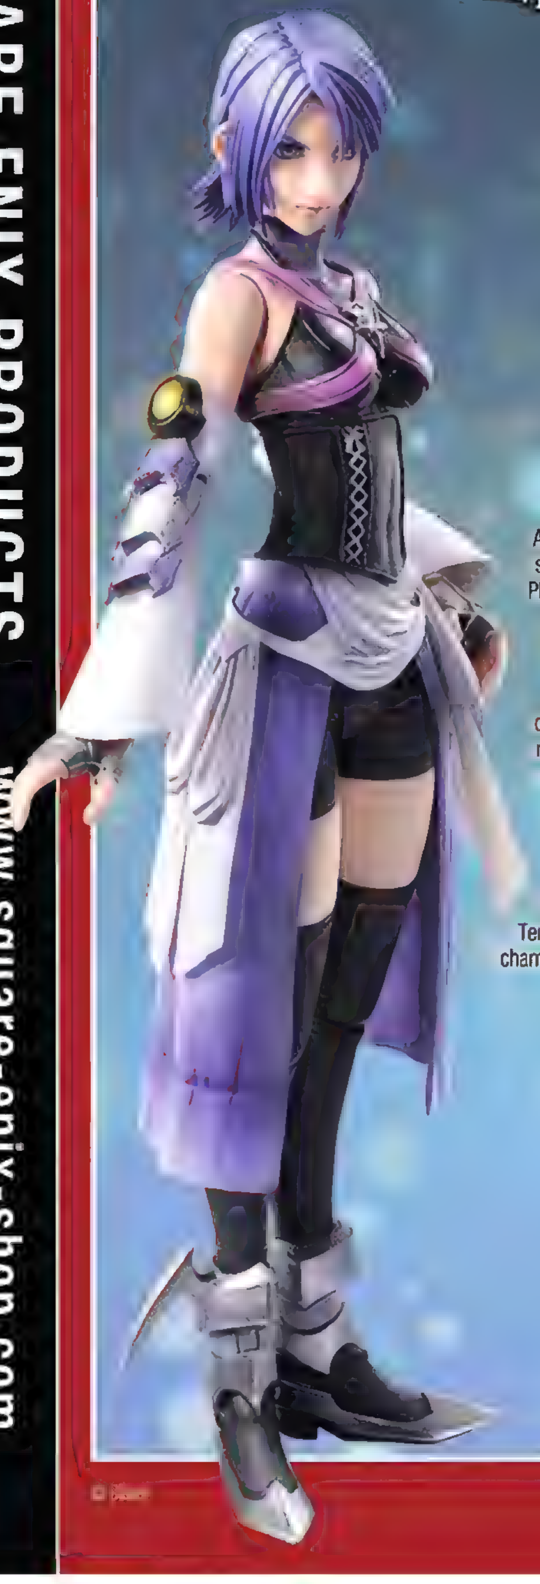
PLAY ARTS 改 KAI
ACTION FIGURE



AQUA

Release: AUGUST 2017
SRP:129.99
STL050829

Aqua, the first female protagonist in the KINGDOM HEARTS series, has the inner fortitude to withstand adversity. This Play Arts -KAI- figure is sure to please as it showcases her unwavering spirit in its expression.

The various included accessory parts allow for a multitude of action poses. The paintwork, varying calculated intensities of light and shadow, gives her a realistic presence, all while taking great care to show off of her signature blue color. We also aimed to give her armor and keyblade a heavy feel through the paint-applied metal textures.

Whether she is charging gallantly into battle with Rainfell or showing her softer side in scenes with Terra and Ventus, we have condensed every bit of her charm into this figure to make it quintessentially Aqua.

Figure includes display stand.

DOCTOR STRANGE™

Release: OCT 2017

SRP $149.99

STL051331

SUPER HEROES RE-IMAGINED BY PLAY ARTS KAI CRAFTSMANSHIP.

Dr. Stephen Strange first made a name for himself as a brilliant American brain surgeon. After seven grueling years of training, however, he obtained the power of the mystical arts and became an unlikely kind of superhero. His name? Doctor Strange.

His signature cape can be inverted for a multitude of poses, while the exaggerated contrast unique to the paintwork of the MARVEL UNIVERSE VARIANT series brings out his profound presence. Articulated areas such as the chest, shoulders and hips incorporate flexible materials to allow for a wide range of motion.

With magic glyphs and effect parts constructed with translucent materials, as well as interchangeable hand parts, our Doctor Strange figure can be posed in various dynamic ways.

Figure includes display stand.

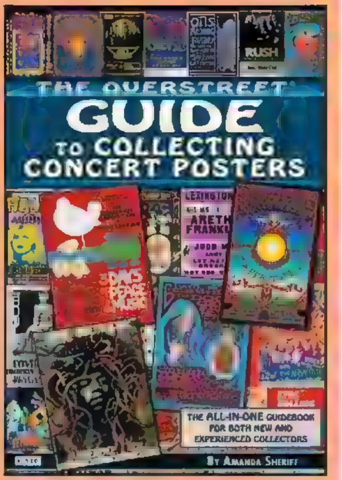
The Overstreet Guide to Collecting Concert Posters Now Available



THE OVERSTREET GUIDE TO COLLECTING CONCERT POSTERS
THE ALL-IN-ONE GUIDEBOOK FOR BOTH NEW AND EXPERIENCED COLLECTORS
BY AMANDA SHERIFF

The Overstreet Guide to Collecting Concert Posters – more than 250 pages packed with incredible content – is now available. The newest book in Gemstone Publishing's "how to" line can be found at finer comic book retailers.

Written by Associate Editor Amanda Sheriff (*The Overstreet Guide to Collecting Movie Posters*), it includes profiles on musicians like The Grateful Dead, Jimi Hendrix, Aretha Franklin, Otis Redding, Blondie, and The Doors, poster artists such as Rick Griffin, Victor Moscoso, and Wes Wilson, and promotors such as Bill Graham and Chet Helms. The book features info on poster care, auction top 10s, grading, and interviews with collectors, dealers, an artist, and a musician.

You Call It Fate, I Call It Kismet

Kismet, a/k/a Paragon, Her, and Ayesha was created by Len Wein and David Kraft. She initially appeared as Paragon in *The Incredible Hulk Annual* #6, then as Kismet in *Marvel Two-In-One*. Kismet was the second attempt by the Enclave to create a super-powerful being in their Citadel of Science called the Beehive.

She initially appeared as a muscular male and fought the Hulk, then re-incubated and emerged, in the familiar blond-haired, golden-skinned form. However, she now possessed the ability to tap, store, and manipulate cosmic energy for a variety of effects. In addition, to projection of concussive force bolts and flight, Kismet is also virtually immortal.

EDGE ESSENTIALS

Pick up these books to learn more about Bill Willingham's Indie Edge style!

- **Fables Deluxe Edition Vol. 1 HC** (MAY090235)
- **Shadowpact Vol. 1: The Pentacle Plot TP** (DEC060240)
- **Legenderry: A Steampunk Adventure TP** (NOV141321)

Please tell us a bit about yourself!

Do you really need an exclamation point after the request? I assure you I'm not exciting enough to merit one. I write comic books and prose stories, and have done so for many years. I used to illustrate comic books too, but seldom have the time these days. I live a quiet, almost reclusive life in the woods in Minnesota, among crows in their multitudes who seemed determined not to live as quiet a life.

What are your favorite projects you've contributed to over the past decade?

The long-running *Fables* series from Vertigo took up most of the past decade, which also included runs on *Robin*, *Shadowpact*, *Legenderry*, among too many others.

What are you currently working on?

Two comic book series. One is called *The Greatest Adventure*, published by Dynamite. In it we gather all of my favorite Edgar Rice Burroughs characters together for one huge adventure. The other series, not yet officially released (solicited in this issue on page 350) is called *Lark's Killer*, published by Devil's Due/1First Comics. It's about a bratty runaway (Lark), living rough on the streets of the bad part of Hollywood, by begging and thieving. But then she magically ends up in an epic fantasy world where everyone she meets tries to kill her. The story shows us Lark's efforts to stay alive long enough to figure out what happened and why. It's drawn by Mark Dos Santos. Writing it is a pure delight.

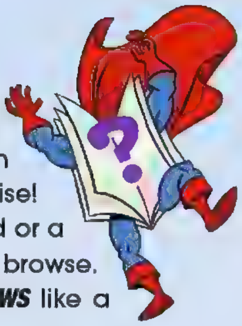
USER'S GUIDE

Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

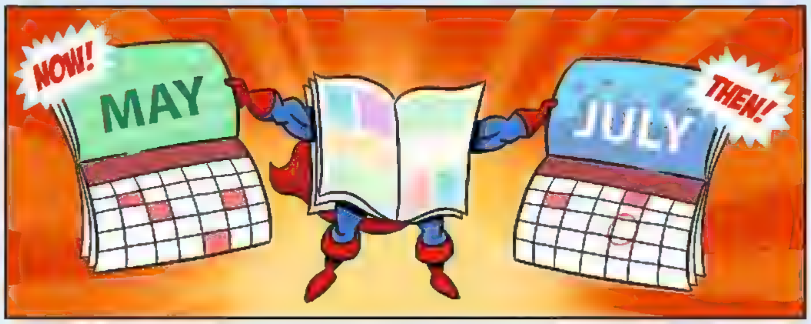
WHAT'S@ COMIC SHOPS

There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!



WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of ***PREVIEWS***, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month

The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through ***PREVIEWS*** ! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.

0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.

0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.

0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

JUNE 2017 | Edited By: **Allyn Gibson** | editor@PREVIEWSworld.com

MARVEL'S PAST AND PRESENT COMBINE FOR EPIC ADVENTURE IN *GENERATIONS*

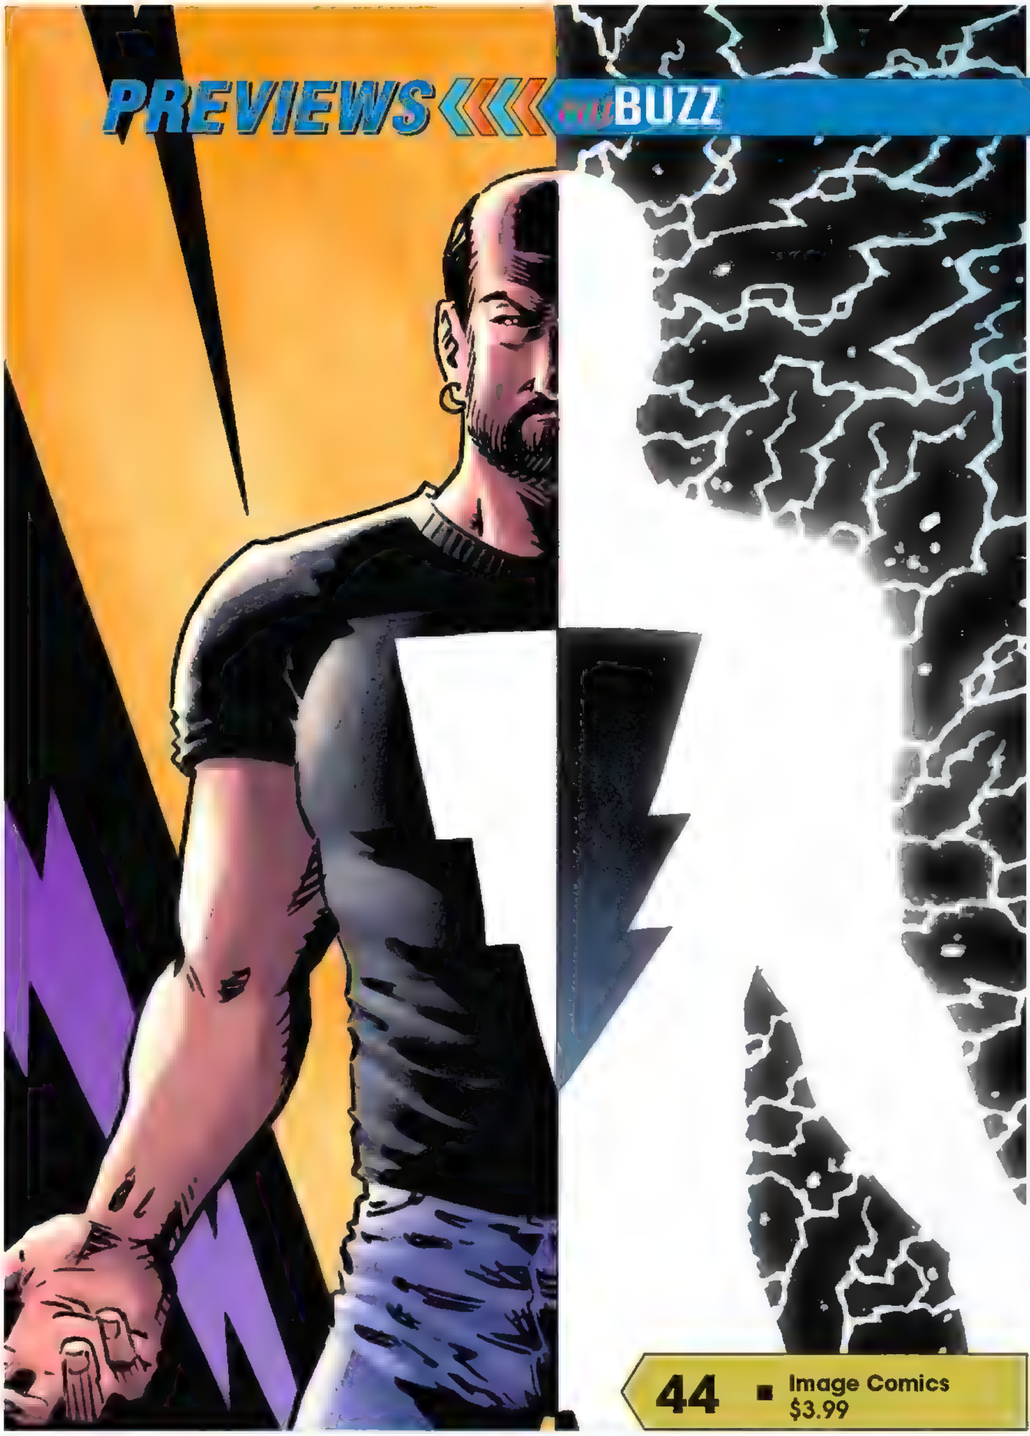
Two Thors—one ancient, one modern—join forces in the ancient past to battle an unexpected evil! Jason Aaron and Mahmud Asrar's *Generations: The Unworthy Thor & The Mighty Thor* arrives in August, the first chapter in Marvel Comics' *Generations* event!

Generations is a ten-part series of one-shots that stars Marvel's iconic characters and their heroic heirs, and leads into this fall's *Marvel Legacy* one-shot. In stories from the publisher's top writers and artists, *Generations* explores the rich and diverse history of Marvel Comics as well as demonstrating the inventive fun and imagination that are the hallmarks of the Marvel Universe.

Generations: The Unworthy Thor & The Mighty Thor features two eras of Thor—the young Odinson, not yet worthy to lift the enchanted hammer Mjolnir, and Jane Foster, the current wielder of the hammer and the Thor of the 21st-century—in a time-spanning adventure. Cast back into the days of the Pharaohs, the modern Thor comes to the aid of the Odinson, himself aiding a longship of Vikings in battle with the Pharaohs' legions. But their prowess in battle comes to the attention of Egypt's ruler, the mutant Apocalypse, and two gods of Thunder must stand against history's most powerful mutant!

Jason Aaron, the writer of *The Mighty Thor* and *The Unworthy Thor*, is joined by *All-New, All-Different Avengers* and *The Totally Awesome Hulk* artist Mahmud Asrar for a story that features heroic deeds, epic action, implacable villainy, and unstinting heroism. *Generations: The Unworthy Thor & The Mighty Thor* befits the two Thors and is an unmissable story for any Thor fan!

A perfect jumping-on point for new or classic fans, as well as a key story in Aaron's epic *Thor* run, *Generations: The Unworthy Thor & The Mighty Thor* brims with the excitement and action that readers expect from Marvel Comics—and it comes your way this August!

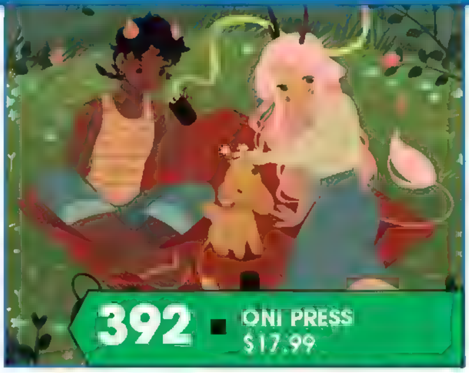


THE CONCLUSION TO MATT WAGNER'S *MAGE* BEGINS IN THE HERO DENIED

Legendary writer/artist Matt Wagner is perhaps best known to comics fans for his two great creation — *Grendel*, a meditation on violence and power, and *Mage*, a modern fantasy that is both Arthurian and semi-autobiographical at the same time. This year, Wagner brings *Mage* to its long-awaited conclusion in Image Comics' *Mage: The Hero Defined!*

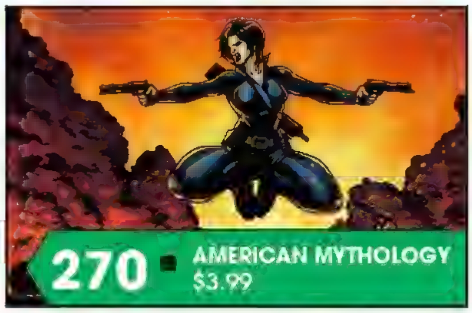
Years have passed since Kevin Matchstick has used his powers — or his mystical weapon Excalibur. The destiny that was foretold Kevin views as a youthful dream. But destiny has a way of finding people, especially those who try to deny their own destiny, and Kevin will soon find dark forces gathering and a final epic quest laid before him, for destiny can never be denied.

The culmination of the *Mage* trilogy, *Mage: The Hero Denied* is finale of Matt Wagner's *magnum opus*. Unfolding over fifteen issues, the story of Kevin Matchstick comes at last to its long-awaited conclusion!



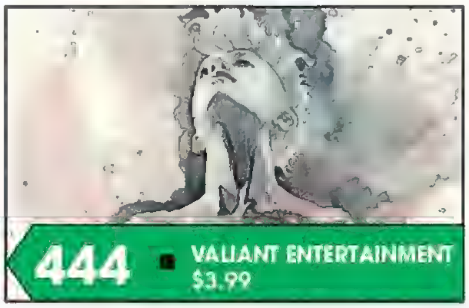
A BLACKSMITH'S APPRENTICE FINDS NEW PURPOSE IN THE *TEA DRAGON SOCIETY*

Katie O'Neill (*Princess Princess Ever After*) creates an enchanting new fantasy about Greta, a blacksmith's apprentice, and the tea dragons (that is, dragons who drink tea) that she befriends and change her life!



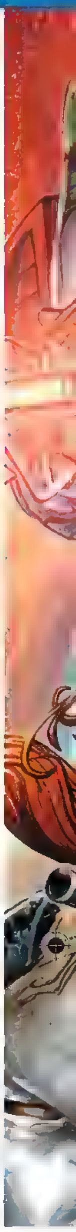
AMERICAN MYTHOLOGY RETURNS TO THE WORLD OF THE CULT FILM *EQUILIBRIUM*

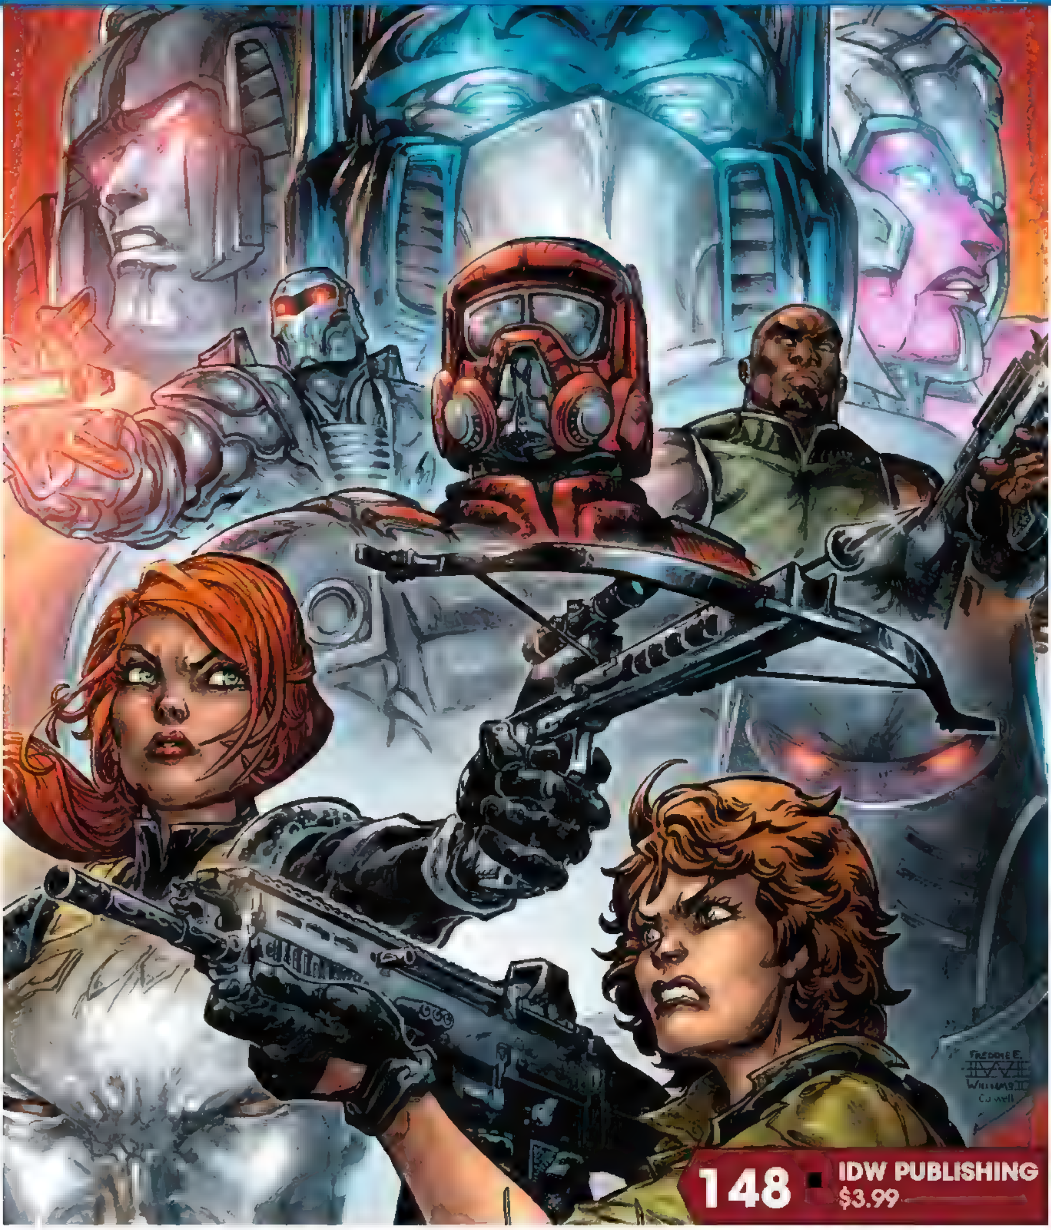
In the world of Kurt Wimmer's 2002 film *Equilibrium* emotions are outlawed at pain of death, and American Mythology explores how this world came to be in their new prequel, *Equilibrium: Deconstruction!*



HUMANITY'S FUTURE IS IN THE HANDS OF *WAR MOTHER*

Spinning out of the events of *4001 A.D.*, Fred van Lente and Stephen Segovia's *War Mother* portrays the last caretakers of humanity's knowledge and the powerful being who defends them at all costs, War Mother!



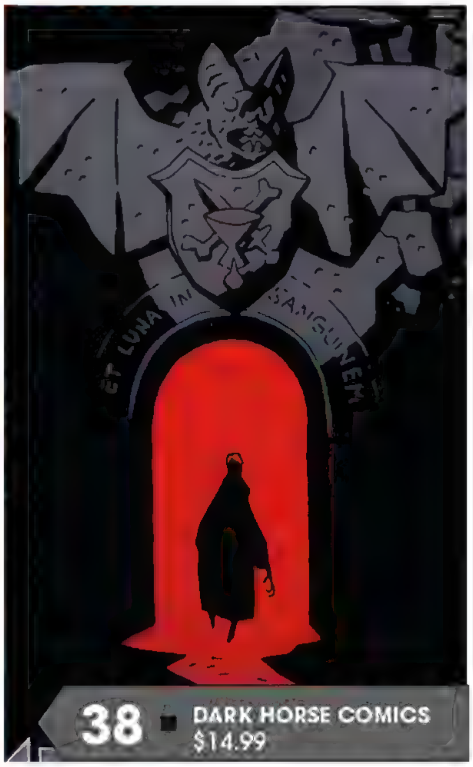


CYBERTRON IS INVADED IN IDW PUBLISHING'S NEW HASBRO EVENT

The interstellar peace is shattered as Cybertron is invaded by the forces of COBRA in IDW Publishing's new Hasbro event, *First Strike!*

With Earth on the cusp of joining the interstellar community of civilizations, an unexpected threat emerges when COBRA, reconstituted with some of the most evil beings the universe has produced, launches an attack on the Transformers' homeworld of Cybertron. Now, an alliance of Autobots, G.I. Joe, and M.A.S.K. are all that stands in the way of COBRA's takeover of Cybertron and the destruction of the interstellar peace!

Following on the heels of the blockbuster *Revolution* event, the Transformers, G.I. Joe, and M.A.S.K. again join forces in IDW's new Hasbro crossover! Written by Mairghread Scott and David Rodriguez, with art from Max Dunbar, *First Strike* is the summer's action-packed epic!



MIKE MIGNOLA INTRODUCES READERS TO AN UNEXPECTED VAMPIRE HUNTER

Mr. Higgins, a man consumed by grief after the death of his wife, wants nothing more than to spend his days in seclusion, shut away from the world and all of its troubles. Two vampire hunters arrive at the monastery Higgins calls home, and they unexpectedly inspire a man lost to the world to find a new purpose in life in Mike Mignola's original graphic novel for Dark Horse Comics, *Mr. Higgins Comes Home!*

How did Higgins' wife die? What happened in the crumbling castle along the Baltic Sea? What monstrosities lurk in the shadows? And what pain truly drives Higgins? Drawing on classic vampire lore, Mignola and artist Warwick Johnson Caldwell craft a moving and scary tale of one man's loss and his quixotic quest to find peace in Dark Horse's *Mr. Higgins Comes Home!*

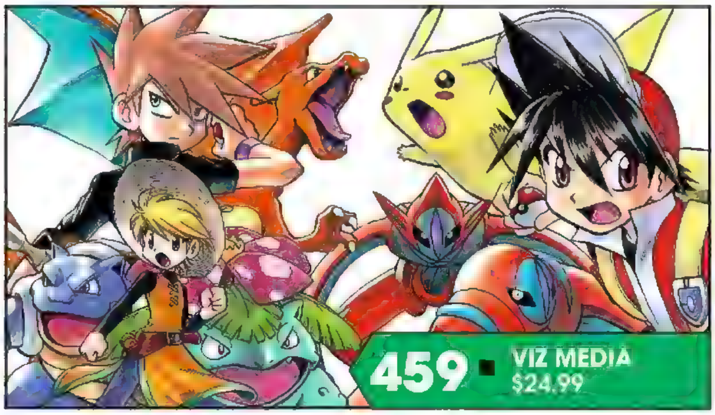
AN ORDINARY BOY HAS AN EXTRAORDINARY ADVENTURE IN BOOM! STUDIOS' *MECH CADET YU*

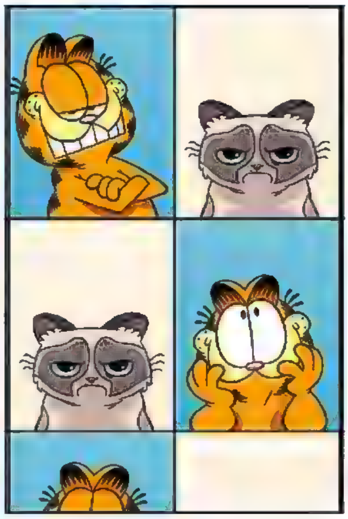
Each year, giant robots descend from space and bond with cadets from the Sky Academy, taking the cadets into space for their final training. In Greg Pak (*The Totally Awesome Hulk*) and Takeshi Miyazawa's *Mech Cadet Yu* from BOOM! Studios, one space robot bonds instead with Stanford Yu, a janitor's son and not a mech pilot trainee, and together they will embark on an extraordinary adventure among the stars! Mixing a fish-out-of-water story with cosmic wonderment and super robot action, BOOM!'s *Mech Cadet Yu* will be a powerful and epic adventure!



459 ■ **VIZ MEDIA**
$24.99

CELEBRATE 20 YEARS OF POKÉMON WITH VIZ'S NEW ART BOOK

Pokémon has never been bigger, with the release last year of *Pokémon Go!* and the latest games for Nintendo's handheld consoles. VIZ Media explores the artistry of the graphic novel series inspired by the franchise in *The Art of Pokémon Adventures*, an artbook that delves into twenty years' worth of material, from sketches to final art, and features four pull out gatefold posters and a manga short story, published in English for the first time, by *Pokémon Adventures* writer and artist Satoshi Yamamoto. If you love the world of *Pokémon*, its characters, and its monsters, *The Art of Pokémon Adventures* deserves a place in your library!



FUR FLIES WHEN GARFIELD AND GRUMPY CAT MEET

Garfield has entertained millions through comic strips, cartoons, even film. Grumpy Cat has likewise amused millions as a pop culture meme. This summer, the two felines share a single adventure in Dynamite Entertainment's *Grumpy Cat/Garfield*, a three issue series in which the lazy, lasagna-loving Garfield trades quippy miaows with the glum Grumpy Cat!

BEHIND THE SCENES WITH THE ARTIST ON TITAN'S ALL-NEW DOCTOR WHO EVENT!

FEATURED ITEM

BBC

THE LOST DIMENSION

DOCTOR WHO

With our hotly anticipated ***Doctor Who*** **event, *The Lost Dimension*,** hitting the shelves in August, we sat down with superstar artist **Rachael Stott** to talk about how *Doctor Who* fits into comics, her love for the series, and her excitement for the new event!

RACHAEL STOTT

- ARTIST, *TWELFTH DOCTOR; THE LOST DIMENSION ALPHA*

As such an avid fan of the show, particularly the Twelfth Doctor, how would you encourage someone who loves the TV show to approach the comics? How do they fit into the mythos for you?

I think the writers who work on the comics do such a good job of capturing the feel of the show that it's really easy to come to them as a fan and immediately feel right at home. They perfectly tread the line between feeling very familiar whilst also exploiting the opportunity to do things that you just don't have the time or budget for on TV. Which could be gigantic crazy alien creatures, or the opportunities we get to show little character moments that flesh out the Doctor/Companion relationship a bit further.

You're very public about your love for Capaldi's Doctor! What is it about him that makes him your favorite Doctor, and how did you work that into your portrayal of him in the pages of the comic?

I just think everything about him is fantastic. I love his performance, the way he seems so much less aloof and removed than other Doctors. His ever-changing costume is always rad as hell to draw, and I really like the guitar and sunglasses rockstar-Doctor angle.

One thing I've noticed is that sometimes when Capaldi delivers a line, if you imagine it written down then I think most people would deliver it in a totally different tone. Like in a recent episode he said "I knew a king made of algae... he fancied me," and he said it in such a sombre, serious way that it was more hilarious than if you'd have said it all cheeky and with a wink and a strut. So I try to do that with the comics- take some of the lines and draw them being delivered in an unexpected way.

Also arm waving. Lots of arm waving.

What are some of your favorite things you've been able to draw for the Doctor in your run so far? Is there anything that has made you really excited?

I love drawing things from classic *Who*. Robbie Morrison tends to give me really fun things to draw, like early on we did this really fun Third Doctor spread, or our most recent story where (for timey-wimey reasons) I was able to slip in all sorts of cameos. It's pure nerdvana to be drawing Mondasian Cybermen, Menoptra, and Scaroth in his funky 70's duds.

Also punk Doctor. Punk Doctorrrrrr.

The show just returned to our screens this weekend (at the time of this interview!). This season introduces brand new companion Bill – what did you think of the episode, and how do you feel about bringing Bill to life in the comics?

Bill is amazing. She and the Doctor have such fantastic chemistry together and I can't wait to put that down onto the page. It felt like Pearl really hit the ground running and has already established herself as one of the all-time greats for me. She's so likable and inquisitive.

Episode one was wonderful, and set up a lot of intriguing questions that I can't wait to see played out. Steven Moffat – I've give you twenty quid to put me out of my misery and tell me what's in the Vault!

The Lost Dimension **is going to be our biggest *Doctor Who* event yet, full of danger, excitement, and timey-wimey action that will thrill ongoing fans – *and* be a perfect introduction for new fans of the comics. Is there anything you can tease about what's coming up?**

No. LOL. Not even if you lock me in a confession dial.

For more details, check out the Titan Comics section!

"I've been planning METAL for as long as I've been writing Batman, but I want METAL to be built upon the stories happening now in Rebirth. Most of all we want to create new material that feels really modern and different. And above all, it's going to be fun. Even with terror and nightmares, it won't be grim. DARK NIGHTS: METAL will be celebratory, huge and crazy."

– **SCOTT SNYDER**

"I'm looking forward to rock'n and roll'n together again. Fans have been loud and clear; they want more from us. We're primed and ready to blow it up."

– **GREG CAPULLO**

THE MUST-READ COMICS EVENT OF THE SUMMER BEGINS!

Retailers: These issues will ship with two covers each. Please see the order form for details.

"EVE OF DESTRUCTION" part one! Superman finds himself side by side with Lex Luthor once more, but is his former foe truly committed to being a hero, or is it just a ruse to gain the Man of Steel's trust? As world events point to something dark on the horizon, the mysterious Mr. Oz makes his final move against the Man of Tomorrow.

"EVE OF DESTRUCTION" part two! The inhumanities of Earth put even Superman's trust to the test as he and Lex Luthor begin to see a pattern emerging that points to Mr. Oz and his agents. When Lex confronts Mr. Oz alone, one walks away changed forever.

MISTER MIRACLE #1

Written by TOM KING • Art by MITCH GERADS • Cover by NICK DERINGTON • Variant cover by MITCH GERADS

Retailers: This issue will ship with two covers. Please see the order form for details.

From the team behind THE SHERIFF OF BABYLON and the Hugo Award-nominated writer of *Vision* comes a unique new take on one of Jack Kirby's most beloved New Gods.

Scott Free is the greatest escape artist that ever lived. So great that he escaped Granny Goodness' gruesome orphanage and the dangers of Apokolips to travel across galaxies and set up a new life on Earth with his wife, the former female fury known as Big Barda. Using the stage alter ego of Mister Miracle, he has made a career for himself showing off his acrobatic escape techniques. He even caught the attention of the Justice League, which counted him among its ranks.

You might say Scott Free has everything...so why isn't it enough? Mister Miracle has mastered every illusion, achieved every stunt, pulled off every trick—except one. He has never escaped death. Is it even possible? Our hero is going to have to kill himself if he wants to find out. Written by Tom King (BATMAN) and illustrated by Mitch Gerads (*The Punisher*), this is a MISTER MIRACLE unlike any you've read before.

NIGHTWING: THE NEW ORDER #1

Written by KYLE HIGGINS • Art and cover by TREVOR McCARTHY • Variant cover by PAUL POPE

Retailers: This issue will ship with two covers. Please see the order form for details.

NIGHTWING: THE NEW ORDER is the story of a future world without "weapons"—where superpowers have been eliminated and outlawed. The man responsible? None other than Dick Grayson, a.k.a. Nightwing, now leader of a government task force called the Crusaders who are charged with hunting the remaining Supers. But when events transpire which turn the Crusaders' aim toward Grayson's own family, the former Boy Wonder must turn against the very system he helped create, with help from the very people he's been hunting for years—the last metahumans of the DC Universe. Don't miss this bold new vision from the team behind the *New York Times* bestseller BATMAN: GATES OF GOTHAM!

SUICIDE SQUAD: BLACK FILES #1

Written by MIKE W. BARR and JAI NITZ • Art by PHILIPPE BRIONES and SCOT EATON • Cover by FRAZER IRVING

Two members of Task Force X are back in these all-new adventures! First up: "REVENGE OF KOBRA" by writer Mike W. Barr and artist Philippe Briones. To oppose the terrorist Kobra is to earn his undying hatred, and that's what the samurai Katana did when she killed his beloved Eve. Now, Kobra stalks Katana beyond the bounds of the Earth itself, to a supernatural world where he will steal from her everything that she has—including her very soul! And in "SUICIDE SQUAD BLACK," by writer Jai Nitz and artist Scot Eaton, Sebastian Faust, the U.S. government's top arcane operative, has gone rogue! To track down America's most dangerous magician, Amanda Waller assembles a special ops team unlike any other: an expendable coven of dark arts experts including El Diablo, Enchantress and Gentleman Ghost. They are Suicide Squad Black, and they will take you to places where even the dead can die!

SUPERMAN AND THE MISERABLE, ROTTEN, NO FUN, REALLY BAD DAY HC

Written by DAVE CROATTO
Art and cover by TOM RICHMOND

It's a bird! It's a plane! It's the worst day ever! It's a 100% *UN*authorized children's book parody as only MAD Magazine can do it in SUPERMAN AND THE MISERABLE, ROTTEN, NO FUN, REALLY BAD DAY!

It's a day so terrible that only the Man of Steel could possibly hope to survive it! On this miserable, rotten, no fun, very bad day, Superman will face rampaging super-villains, angry editors, boring chores, a cranky Justice League and, worst of all, bad pizza. Superman's home planet, Krypton, exploded—so he's no stranger to bad days—but even so, this is one for the record books!

In this all-new story from the Usual Gang of Idiots at MAD Magazine (the same crew that brought you GOODNIGHT, BATCAVE) the best-selling children's book *Alexander and the Terrible, Horrible, No Good, Very Bad Day* is parodied with the heroes and villains from the world of DC Comics' Superman!

BATMAN '66 MEETS STEED AND MRS. PEEL TP

Written by IAN EDGINTON
Art by MATTHEW DOW SMITH
Cover by MICHAEL ALLRED

Batman and Robin are quite capable of taking on the felonious feline Catwoman, but when the lovely Mrs. Peel and her comrade John Steed arrive in Gotham City, the Dynamic Duo are happy for an assist! And when the situation turns into a transatlantic adventure, they return the favor in swinging London—taking on Lord Ffogg and the Cybernauts in return. Reprinting the six-issue miniseries co-published with BOOM! Studios.

AMERICAN WAY: THOSE ABOVE AND THOSE BELOW #2

Written by JOHN RIDLEY • Art and cover by GEORGES JEANTY

The conflict with political radicals that took one man's life sits heavy with Jason. Accusations that, by continuing to be the superhero the American, he's become a pawn for the government have taken on a new sharpness as the Civil Rights movement of the 1970s gains an added urgency. This call to do what's right is one that his former ally Amber Waves has already answered by taking matters into her own hands and using her powers to protest injustice—and she's already paying the deadly cost as the police and Federal agents attack her where she lives. The sequel to the hit comics series continues, crafted by writer John Ridley (TV's *American Crime* and *Guerrilla*).

BLOOM COUNTY: REAL, CLASSY, & COMPLEAT: 1980-1989

writer/artist/cover **Berkeley Breathed**

Presenting every *Bloom County* daily and Sunday strip in chronological order from the first to the last! *Bloom County* debuted in late 1980 and ran until August 1989. Featuring an exceedingly quirky cast of characters, including the sweetly naive Opus the penguin, the flea-bitten Bill the cat, womanizing attorney Steve Dallas, Milo Bloom, Cutter John, and many others, *Bloom County* soon became one of the most popular comic strips in history, appearing in over 1200 newspapers. Then, at the peak of its popularity, **Berkeley Breathed** did something unprecedented... he walked away. Now, more than 25 years later, the complete collection of the Pulitzer Prize-winning comic strip is collected into a deluxe, two-volume box set.

FOR BETTER OR FOR WORSE: THE COMPLETE LIBRARY, VOL. 1

writer/artist/cover **Lynn Johnston**

Collecting one of the most beloved comic strips of all time, with a devoted audience of more than 220 million. This new series, produced with **Lynn Johnston's** cooperation, is the definitive edition, collecting each decade of the strip in three volumes. Since *For Better or For Worse* debuted in 1979, the world has watched the Patterson family grow up in real time–and to many readers, they feel like family! This book starts at the very beginning and reprints more than three years of the daily and Sunday comics. All Sunday comics are printed in color!

COMPLETE LITTLE ORPHAN ANNIE, VOL. 14

writer/artist/cover **Harold Gray**

A chronological reprinting of one of the most important comic strips of the 20th Century. Annie is a cultural icon—in both her red-headed, blank-eyed appearance, and as the embodiment of American individuality, spunk, and self-reliance. Even those who've never read the comic strip are keenly aware of the plucky orphan, her loveable mutt Sandy, and her adoptive benefactor, Oliver "Daddy" Warbucks, through the Broadway play, the hit movie, and the song "Tomorrow," made famous by both. Volume 14 reprints all daily and color Sunday strips from August 19, 1948 through March 12, 1950.

writer/artist/cover
Tara O'Connor

On a journey to the old world—she discovered a whole new world. After a messy year of heartbreak and setbacks, Tara sets off to Ireland in search of clues to her family's ancestry, but what she found wasn't at all what she expected. Some of it has to do with the lack of records, but a lot has to do with John, the charming cartoonist she met on Twitter. Wrapped in real family history and set amongst the natural beauty of the Irish countryside, *Roots* is a classic romantic-comedy adventure and a page-turning account of a young woman finding herself.

Don't miss the newest issue of the series critics are calling "funny, sincere, and just generally brilliant"—*GUMBALLS*! **Erin Nations** reflects on the transformative effects of his hormone injections: the good, the bad, and the awkward. After decades of being perceived as a woman and not taken seriously, now the "male privilege" shoe's on the other foot. Plus: skateboarding, more childhood antics from Erin's triplet siblings, and Tobias finally makes a friend—or at least a voodoo-doll buddy!

BERNIE WRIGHTSON ARTIFACT EDITION

artist/cover **Bernie Wrightson**

Bernie Wrightson began his career in the late 1960s, just barely out of his teens, and within a decade rose to prominence as the preeminent horror artist of his generation. This loving tribute to comics' Master of the Macabre will showcase Wrightson's ground breaking work in the DC Comics Mystery books and his legendary artistic turn on *Swamp Thing*. Additionally, we have assembled a number of rarely printed and completely (until now) unseen treasures.

Disaster has come to the land as the king's reign nears its end. The kingdom has fallen into disrepair. To ensure continued peace, the king must choose a successor among his sons. With a single hopeful decree, the king announces that his sons have 3 years to rebuild the once majestic kingdom. The prince who builds the most impressive castle may yet have a chance to repair the prestige of the shattered kingdom.

Using precious Action Point resources, strategically move your loyal Knights to stand atop the tallest tower. Not only must you build as high to the sky as you can, but you must also build across as much broken ground as possible to maximize the glory of your castle. As your towers rise, so too will the peoples' hope in a new era of prosperity. May you be the prince to become king.

MAGE: THE HERO DENIED #1 (OF 15)

STORY / ART / COVER..............MATT WAGNER

GEM OF THE MONTH

AUGUST 16	32 PAGES	FC	T+	$3.99

LEGENDARY WRITER / ARTIST **MATT WAGNER** RETURNS FOR THE THIRD AND FINAL VOLUME OF HIS EPIC FANTASY TRILOGY—**MAGE: THE HERO DENIED!**

This first full-sized issue begins 10 years after the climax of **THE HERO DEFINED** and finds the everyman hero Kevin Matchstick at an unexpected point in his life. It's been some time since he's utilized his powers as the reincarnated Pendragon, wielder of the mystical weapon Excalibur. Despite his reluctance to fulfill what two different Mages have declared as his destiny, dark forces have gathered to once again force Kevin into action. Throughout these events, Kevin keeps hoping for the same mystical guidance that has mentored him in the past. "Who is the third Mage?!"

MAGE: THE HERO DENIED will be a 15-issue limited series climaxing in a double-sized finale. Newly repackaged editions of the previous books from the trilogy—**THE HERO DISCOVERED** and **THE HERO DEFINED**—will be released over the course of the new series. **MAGE** has been a perennial favorite with old and new readers alike for nearly three decades.

After five years in prison, AJ Gurney, a legendary wheelman in Detroit, has decided it's time to go straight. He returns home to work in his father's garage and disappear into anonymity.

But during a visit to the bank, AJ is recognized by two violent bank robbers, and they demand AJ be their getaway driver. To ensure his compliance, they take a young female hostage; unfortunately, she happens to be the daughter of a Russian crime lord. AJ now finds himself pursued by a bitter police department and hunted by every asset of the Russian mob. Without a doubt, he's in a very hard place.

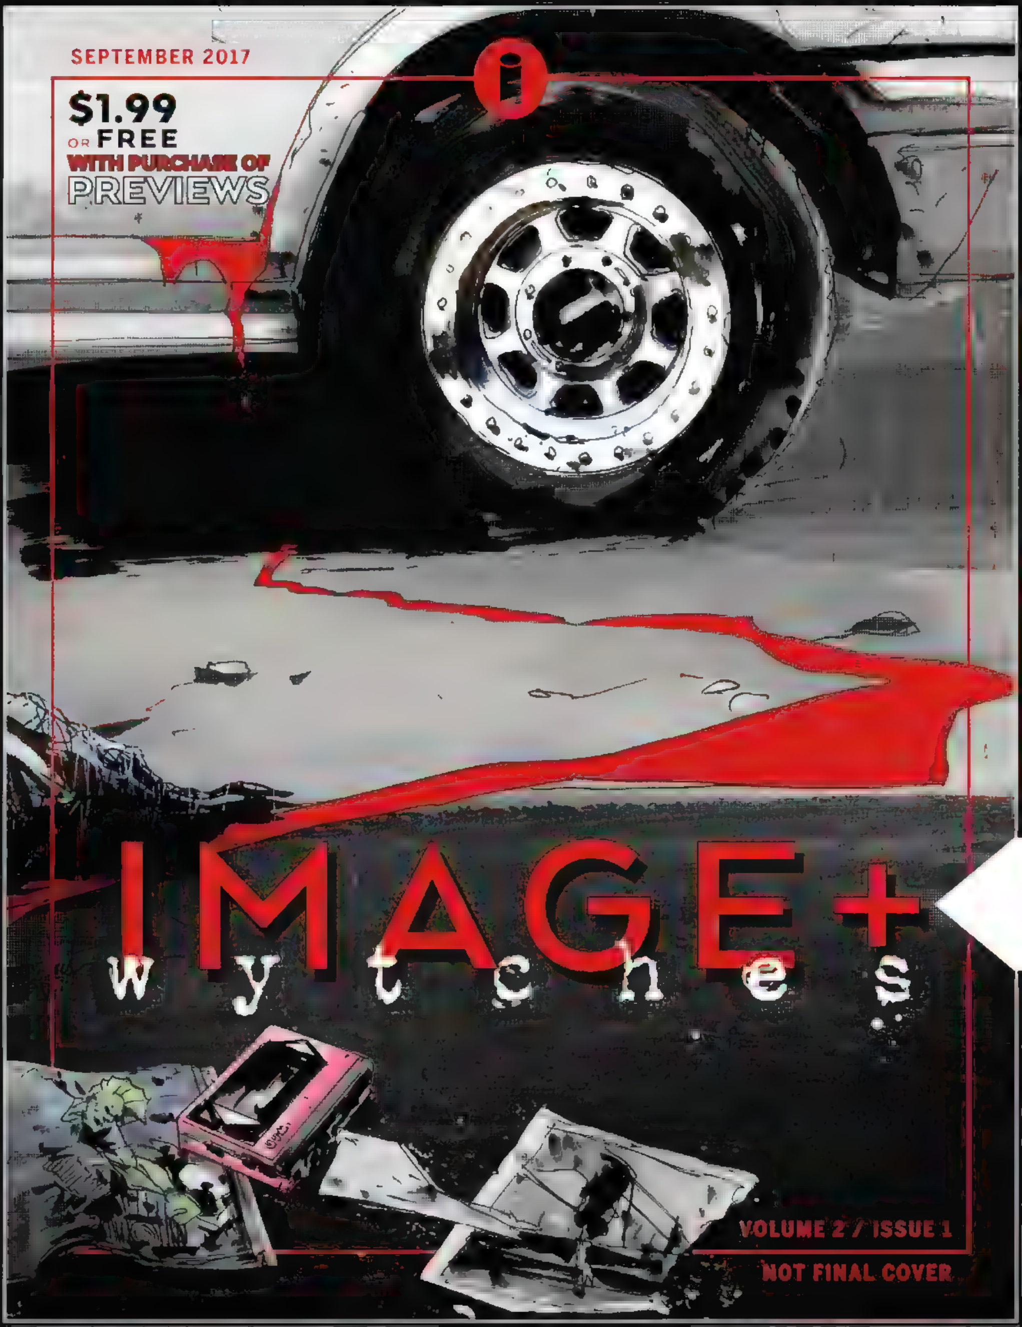
AUGUST 30 | 80 PAGES | FC | $1.99



Volume two of the Diamond Gem Award-winning comics magazine **IMAGE+** begins now! Fans have been eagerly awaiting the return of **SCOTT SNYDER** & **JOCK**'s smash-hit horror series **WYTCHES** ever since the first season ended on a brutal cliffhanger. Now, they're back with a taste for the upcoming second season of the series by serializing what happens next in **IMAGE+**! How did Sailor make it to safety? What has she been doing since? The answers can be found exclusively in **IMAGE+** with an extra-sized first chapter this issue.

In addition to the return of **WYTCHES**, **IMAGE+** is now a hefty **80 PAGES** at no additional cost, meaning more room for longer, more fascinating interviews, exciting previews, and in-depth features on comics, creators, cosplay, conventions, and comics culture. **IMAGE+** remains your number one source for news and information about Image Comics, and now's the perfect time to get in on the ground floor. Even better yet, beginning with this issue, **IMAGE+** will once again be available for the low, low price of **FREE** for anyone already purchasing a copy of Diamond's **Previews**.

STAFF PICK

VENICE GN

Recommended by Sarah Martinez

Do you recall the first time you watched a Studio Ghibli film? Your Disney-conditioned senses were primed and ready for animated hijinks at the speed of light. Instead, you were introduced to an animation studio that revealed the ordinary in an extraordinary way, letting the camera linger over cooking food, falling rain, bowing flowers, and silent moments with the characters. It was a delight and a wonder to slow down, to share that quiet intimacy with the characters on the screen, and to soak in the world that was built for you.

Let me introduce you to Jiro Taniguchi. He passed away in February of this year, but his works are still with us and just as powerful as ever. A gifted manga creator with a litany of titles to his credit, Taniguchi's manga preserves that same poised and graceful stillness that you glimpsed in Studio Ghibli's films. He presents us with the perfect moment, echoing slow, subtle, notes that press insistently upon the reader the sense of being fully human within a living world so much larger than any one of us.

Do not look to Taniguchi's works for the flashy, merchandisable characters and power-ups of the children's manga of Japan. Instead, prepare yourself to enter a fully realized world: each blade of grass, each window's reflection, each button on every coat, noted and placed, drawn with painstaking detail. Reading his works feels like an evening walk alone or an eye-opening journey to a new place. Peace, joy, melancholy, awe, and countless other introspective emotions linger in the linework of his pages. Taniguchi's genius was undoubtedly in his art, but also in his observation. This man absorbed places so fully—and the emotions they evoke so distinctly—that with but paper and pen, he transports his reading audience to *A Distant Neighborhood* (AUG161623), to *The Summit of The Gods* (FEB151449), to *A Zoo in Winter* (APR111049), and even, in his last work, to *Venice*.

Powerful and gentle, Taniguchi's final work illuminates Venice as seen for the first time through the eyes of a traveler far from home.

Before Libria. Before Prozium. Before the Grammaton Clerics, there was a world much like our own. A world where a global conspiracy to reduce mankind's footprint on the environment clashed with the security agencies of global powers, desperate to maintain their control. Between them: one man, supplying them the weapons they desire, and one woman whose talents will (de) construct civilization. This is the untold story of the war that brought about the world of Equilibrium. Stargate: Atlantis is back with brand new comic book adventures that pick up right where the acclaimed TV series left off! Comic art legend **Greg LaRocque** *(Flash: The Return of Barry Allen, Web of Spider-Man)* and newcomer **Scottie Watson** join the writing team of **Mark L. Haynes & J.C. Vaughn** *(24, Stargate Universe)* to deliver the powerful and long-awaited new tales of John Sheppard, Teyla, Ronon, Rodney McKay and the rest of the beloved characters. After Atlantis is stranded on Earth following the events in the series' cliffhanger ending, what surprising danger threatens them and our whole planet? And while they're on Earth, what new menace enters the scene in the Pegasus galaxy? All will be revealed in this exciting new collection of American Mythology's first two story arcs, ***Stargate Atlantis: Back To Pegasus*** and ***Stargate Atlantis: Gateways***, the comics that made one review say, "As far as television franchises continuing on in comic books I think this one is definitely the most authentic to the series."

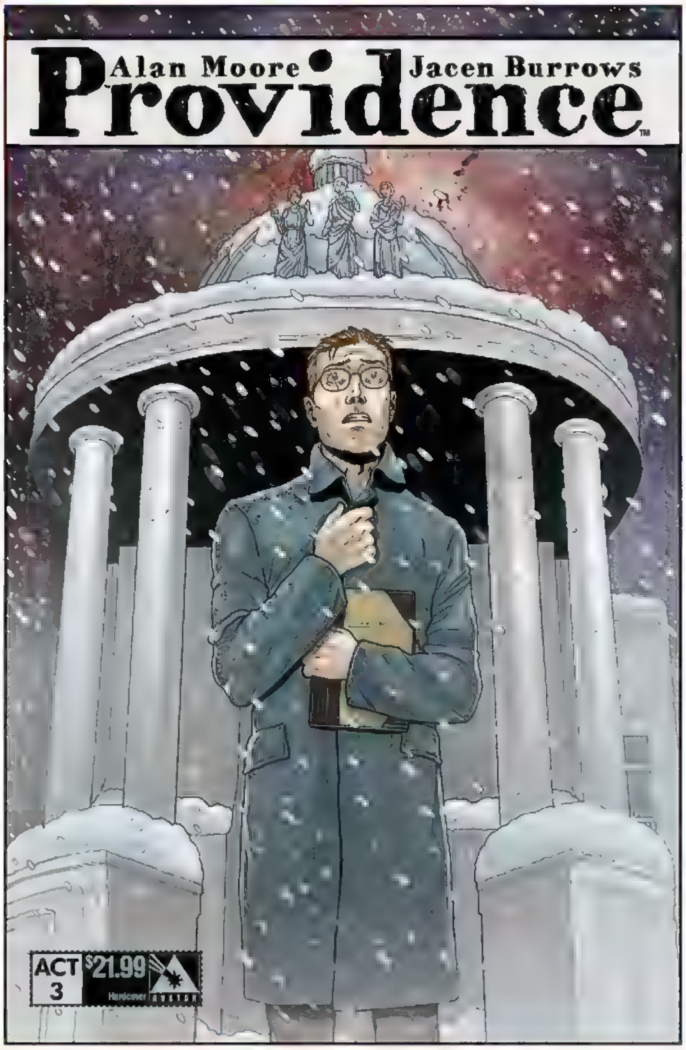
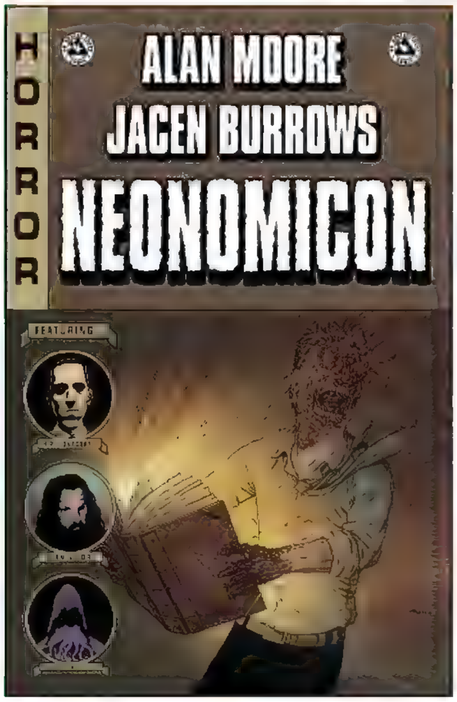
PROVIDENCE ACT 3

Hardcover: $21.99
Cover & Art: Jacen Burrows
Writer: Alan Moore

MR, Color, 144 pages: The soul-crushed final arc of Providence is unveiled in this special hardcover-only edition! Everything Robert Black thought he knew is called into question as the tapestry of history and the stories of H.P. Lovecraft get wound ever tighter. All the secrets are revealed and nothing will ever be the same by the end of Providence! Alan Moore's quintessential horror series has set the standard for a terrifying reinvention of the works of H.P. Lovecraft. It is being universally hailed as one of Moore's most realized works in which the master scribe has controlled every iota of the story, art, and presentation. The result has been a masterpiece like no other and a true must-have addition to his essential works in the field. We present a collected Providence Act 3 Hard Cover edition that contains Providence issues #9-12, and all the back matter, in this one-time printing of this edition.





ALAN MOORE'S NEONOMICON HARDCOVER NEW PRINTING

Retail: $27.99
Cover & Art: Jacen Burrows • **Writer:** Alan Moore

MR, Color, 176pp: The path to Providence begins here! Collecting THE COURTYARD and NEONOMICON, the epic tome has all of the stories that lead into PROVIDENCE! Comic book legend Alan Moore and brilliant artist Jacen Burrows deliver a chilling tale of Lovecraftian horror! Brears and Lamper, two young and cocky FBI agents, investigate a fresh series of ritual murders somehow tied to the final undercover assignment of Aldo Sax –the once golden boy of the Bureau, now a convicted killer and inmate of a maximum security prison. From their interrogation of Sax (where he spoke exclusively in inhuman tongues) to a related drug raid on a seedy rock club rife with arcane symbols and otherworldly lyrics, they suspect that they are on the trail of something awful... but nothing can prepare them for the creeping insanity and unspeakable terrors they will face in the small harbor town of Innsmouth. Limited to just 1000 copies available!

BACK ISSUE #100

Recommended by Steve Leaf

It's a big deal when a comic title issue 100, particularly if not published by the big two. For a magazine to do so it amazing and TwoMorrows Publishing has its second title hitting #100 as *Back Issue* follows its older title *Alter Ego* to a centennial celebration.

Back Issue #100 looks at the Bronze Age Fanzines and Fandom! These are the histories of publications of the day which fans read for any shred of news in those pre-internet days. There is an interview with *The Comic Book Price Guide* founder Robert Overstreet. There are tales of DC Comics Answer man Bob Rozakis and the DC Comicmobile as well as a backstage pass of Super DC Con '76. Enjoy the writings of Scott Edelman, Carl Gafford, Bob Greenberger, Jack C. Harris, Tony Isabella, David Anthony Kraft, Bob Layton, Paul Levitz, Michael Uslan, J. C. Vaughn, John Workman, and many others. The issue then wraps up with a behind the scenes of *Back Issue* magazine in an interview with editor Michael Eury.

This special issue of *Back Issue* helps remind me why I liked comics back then and why sometimes nostalgia is better than reality.

A FEW WORDS WITH

GREG PAK & TAKESHI MIYAZAWA

I love giant robots. And I love quirky, personal stories about lonely kids trying to find their crew and mission in the world. And I love big, heroic, action adventure. So I'm thrilled to be writing *Mech Cadet Yu*, in which a janitor's kid named Stanford Yu accidentally bonds with a giant robot and earns a place at the Sky Corps Academy, training to defend America and the world from the onslaught of the terrifying aliens known as the Sharg.

The book's drawn by my long-time collaborator, the great Takeshi Miyazawa, who's rightly beloved for his work on *Runaways* and *Ms. Marvel*, and with whom I created Amadeus Cho for Marvel back in the day. Tak's got an incredible ability to bring out all the emotional nuance and humor that makes the friendships and rivalries of young characters feel utterly real and relatable. And he draws giant robots like nobody's business. He's delivering fun and wonder in every page and every panel.

So many of the stories I've written over the years are rooted in things I loved the most when I was ten years old – like giant robots, natch. It's a thrill to finally be writing that kind of story from the point of view of a character who's an actual kid. And I'm excited to be writing multi-dimensional Asian American lead characters in a genre that's so beloved by so many Asian Americans, but seldom features them.

This story's for underdogs of any age who have ever felt like outsiders, struggled with friendships, and dreamed of fighting for something bigger than themselves. In other words, it's for you and me and everyone who digs comics.

Hope you enjoy, and thanks so much!

Greg Pak

To me, working with Greg Pak is a chance to work on something special. I've had the good fortune of teaming with him on various projects at Marvel but the small, personal ones like *Code Monkey Save World* and *ABC Disgusting* have been the highlights. *Mech Cadet Yu* is another one of those special projects. An underdog story about beating the odds, making friends and kicking alien butt in giant robots. Basically, everything I adore about comics. When he came to me with the idea, it was something I couldn't turn down.

I love to draw people and the nuances of an interaction. I feel really lucky to be able to show what I do best on *Mech Cadet Yu*. It will especially be nice to work on something extended over our previous small and contained projects. Something I can really dig into and make the characters breathe. Whether a hero or a villain, they all have a voice, their own journey and their own growth as characters. I can't wait to see what happens.

Thank you and enjoy!

About: Ember is making her triumphant return, joining up with the Lookers, in a new series starting this month! But we wanted to do something special to give everyone a chance to be caught up with the Ember story. Christian Zanier, the creative mastermind behind Ember, is re-mastering all the pages from #0 for a Beautified edition, and even adding a couple red hot NEW pages! "Beautified" is our name for **variant INTERIOR ARTWORK**, with less clothes and more erotic! So the story just got more nude. Every page is different than the standard edition, not just variant covers! Christian Zanier has created an amazing four-part connecting cover set for this issue reflecting all the key parts of Ember's story - Fashion, Fame, Ignition and Inferno! There are clothed and nude covers for each, all that connect to form one giant image! Limited to just 500 copies for each cover! TALES OF THE OLD WEST

BOUNTY AND NAVARRO: TALES OF THE OLD WEST GN

(W) Paul Daly, Randall Thayer
(A) Brandon Peterson & Various
(CA) Paul Daly
Two tales of the Old West, in the tradition of *Classic Illustrated* books. In "Bounty," William "Mac" McDermott is a bounty hunter who decides to assist a woman and her son traveling west to California. He must finish the journey with her in order to keep her alive from marauders who stalk the wagon she's riding. In "Navarro," an Indian scout employed by the US Army heads home to his tribe and finds his people and son slaughtered and his wife missing. Abandoning the US Army he vows to hunt down the killers. POE: STORIES AND POEMS
(W) Gareth Hinds, Edgar Allan Poe
(A/CA) Gareth Hinds
In a thrilling adaptation of Edgar Allan Poe's best-known works, acclaimed artist-adapter Gareth Hinds translates Poe's dark genius into graphic-novel format. In "The Cask of Amontillado," a man exacts revenge on a disloyal friend at carnival, luring him into catacombs below the city. In "The Masque of the Red Death," a prince shielding himself from plague hosts a doomed party inside his abbey stronghold. A prisoner of the Spanish Inquisition, faced with a swinging blade and swarming rats, can't see his tormentors in "The Pit and the Pendulum," and in "The Tell-Tale Heart," a milky eye and a deafening heartbeat reveal the effects of conscience and creeping madness. Alongside these tales are visual interpretations of three poems — "The Raven," "The Bells," and Poe's poignant elegy to lost love, "Annabel Lee." Available in Softcover and Hardcover editions. QUEEN STREET VOLUME 1 MMPB

(W/A/CA) Emmanuelle Chateauneuf

Meet Aimee, an overworked junior partner at a prestigious law firm in Manila. One storybook romance, four back-to-back flights, and nine years later, in the small of mind but big in spirit town, Sault Ste. Marie, Ontario, Canada, she now lives; still overworked. But as a lower class serial-full-timer and mother to her only child, Melodie, an intelligent and eccentric seven-year-old, whose big personality is only rivalled by her even bigger imagination. Join them and a cast of unlikely characters just as confused and lost, as they stumble blindly for twelve consecutive hours through the beautifully disastrous comedy of Life. Don't miss this breakout semi-autobiographical slice of life tale from Emmanuelle Chateauneuf. (STL052420)

The Neal Adams Vintage Sketchbook is a classic collection of rarely seen layouts, pencils and images from Neal's "vintage" era at DC Comics and Marvel. Also included are drawings from outside of comics, but in the same classic style. Included amongst the various covers, preliminary drawings and finished compositions is the original Man-Bat design. Along with Ra's Al Ghul, Man-Bat is one of the most recognizable characters Neal ever created. See the very first drawing of a character who has appeared in a multitude of comics, animation and video games. Any true Neal Adams fan will need to see this collection of drawings by one of the legends of comics at one of the most influential periods of his storied career. (STL050786)

SCOTT PILGRIM'S PRECIOUS LITTLE CARD GAME

Recommended by Matthew [illegible]

Bryan Lee O'Malley latched onto something many people can relate to in his graphic novel series *Scott Pilgrim* from Oni Press. Titular character Scott Pilgrim struggles with many of the issues that everyone faces when their childhood comes to a screeching halt and the responsibilities of adulthood take center stage. Scott struggles with his love life, financial security, and a league of his new girlfriend Ramona Flowers' ex-boyfriends hunting him.

The graphic novel became a massive success for O'Malley. A movie directed by Edgar Wright hit the silver screen in 2010 and became a cult classic. Now we have a new exciting entry into the *Scott Pilgrim* universe. Renegade Games and Oni Press are working closely with O'Malley to design a deck building card game. If you've ever wanted to take over the role of Scott or one of his friends, take matters into your own hands, and bring the fight right to the league of evil exes be sure to check out *Scott Pilgrim's Precious Little Card Game* from Renegade Game Studio this year.

THINGS YOU SHOULDN'T REMEMBER GN
(W) Luis Roldan (A/CA) Mariano Eliceche
Dozens of people from all across the United States suddenly find themselves recalling random things: song lyrics, places, and events that seem to have been erased from both collective memory and recorded history. Fearing the spread of a virus-like plague, a mysterious group known as "The Handlers" is tasked with hunting and destroying those who recollect. But, does the end justify the means? And what if *you* were the one whose mind was unwittingly filled with things you shouldn't remember? *Things You Shouldn't Remember* serves up a cocktail of adventure, horror, and humor in a story that will keep you guessing… and make you wonder if your own memories should be trusted. For the better part of a century the Shadow's sinister laughter brought the chill of fear to evil-doers – but in our modern times, the streets of Manhattan have gone largely silent. But he is not forgotten. Not by the people he's saved. Mary Jerez, is one of those people. The Shadow saved her from a horrifying school shooting – Mary knows all too well what evil lurks in the hearts of men.

So when a horribly burnt man – incredibly strong and fierce, despite his terrible injuries— arrives under her care as a resident at the hospital – she believes she knows who he is, too. Is this mysterious man actually the Shadow – and with Mary's help, will evil-doers again know what it means to fear his terrible justice?

Si Spurrier (X-Force, X-Men: Legacy, Judge Dredd) and Daniel HDR (Superman, Cyborg) bring the pulp icon into modern day in a tale full of deadly intrigue, gun-blazing action, and a study of the nature of evil!

The fascist Saurian soldiers of the Varanid Empire—part dinosaur, part man, all bad news—have seized control of the Lost Valley, and only the mysterious man known as Turok is willing to stand against them! But the all-new Turok only cares about one thing: he's on a quest to track down a missing girl – and she might hold clues as to how the Lost Valley has changed so much!

Now Turok must infiltrate a prison camp run by the Varanid Empire in order to get more information about her whereabouts -- and beware, any Varanid soldier who gets in his way – because there's a reason they call him the Dinosaur Hunter!

DOCTOR SPEKTOR PART 2: The story of the all-new master (and we use the term lightly) sorcerer continues... as Doc banishes a demon from an Upper-East Side apartment AND commits fraud – all in a day's work!

"WE WERE RED TEAM. WE COULDN'T STAND PEOPLE ESCAPING JUSTICE, SO WE KILLED THEM."

One year after the catastrophic events that destroyed Red Team, the NYPD's elite anti-narcotics unit, surviving Detectives Eddie Mellinger and Trudy Giroux find themselves in the doldrums. The two are kept busy on small-time cases by their suspicious commanders- but a chance encounter with an out-of-his-depth rich kid in the ghetto gives them a chance to get back in the game. The trouble is, it means going far beyond the law... which is what got half the team killed last time around.

BECKETT ENTERTAINMENT'S 40 YEARS OF STAR WARS

Recommended by Jonathan McKinney

The release of *Star Wars: A New Hope* in 1977 changed the world and pop culture as we know it, and Beckett Entertainment takes a look back at all of the things that make the series great with *40 Years of Star Wars*.

As a retrospective view on its cultural influence, *40 Years of Star Wars* is filled with articles ranging from a countdown of the 20 most iconic moments from the franchise, to explaining what makes Darth Vader the ultimate villain, to the unexpected rise of Boba Fett, among many other storylines. Everything leading up to the recent *Rogue One: A Star Wars Story* is detailed in this book, making it worthwhile for hardcore and lapsed fans alike to check out the exciting behind-the-scene storylines.

Plus fans will also be able to choose between three different covers (Luke, Princess Leia, and Darth Vader). With the recent revitalization of the franchise take a stroll down memory lane on what made everyone fall in love with *Star Wars* from the very beginning.

Saints and knights and witches... oh, my!

It is an age of paranoia, superstition and religious fanaticism and the Kingdom of Excludo is being engulfed in flames.

The people are under the thrall of Witch Hysteria and burnings and executions have become a common sight. But the witch trials and inquisitions are a fraud and countless innocent women, falsely accused, are being burned at the stake.

Just when all hope seems lost, along comes the Black Knight charging into battle. Enter Mist — a victim of prejudice himself due to his dark complexion — he has vowed to use his sword to rescue the innocent and slay the evildoers. Accompanying him on his quest is the "shameless," half-naked Euphemia, a self-confessed "true" witch. Together, they roam the kingdom righting wrongs, avenging the innocent and forcing their own brand of justice upon the wicked.

THE CUSTOMER IS ALWAYS WRONG HC

(W/A/CA) Mimi Pond

The Customer is Always Wrong is the saga of a young naïve artist named Madge working in a restaurant of charming drunks, junkies, thieves, and creeps. Oakland in the late seventies is a cheap and quirky haven for eccentrics and Mimi Pond folds the tales of the fascinating sleaze-ball characters that surround young Madge into her workaday waitressing life. Told in the same brash yet earnest style as her previous memoir *Over Easy*, Pond's storytelling gifts have never been stronger than in this epic, comedic, standalone graphic novel. (STL052156)

MOOMIN BEGINS A NEW LIFE
Tove Jansson

(W/A/CA) Tove Jansson

When a charismatic prophet comes to town, the residents of Moominvalley are easily convinced to follow his doctrine for true happiness. Intrigued by their friends and neighbors' lifestyle changes, the impressionable Moomins find themselves attempting to adopt the teachings of their new spiritual leader. But the freer they get, the more miserable they feel. Moominvalley's state of divine chaos is further complicated by the prophet's well-intentioned decree to free all of the jail's inmates. *Moomin Begins a New Life* is an eccentric all-ages adventure from the acclaimed Finnish cartoonist Tove Jansson that explores the appeal of self-transformation and the pursuit of happiness. O/A BERLIN #20

(W/A/CA) Jason Lutes

With its twentieth issue, one of the biggest graphic novel events of the early 21st-century is fast-approaching-the completion of Jason Lutes' epic *Berlin* series. Here, the inevitable antagonist of the tale of pre-WWII Germany begins to take center stage. Marthe and Kurt find their way back to each other-he, from the bottom of the bottle and she, from a one-sided relationship. Fascism creeps into every corner of society, but some can see it better than others. (STL039478)

BERLIN BOOK 1: CITY OF STONES TP

(W/A/CA) Jason Lutes

Berlin: City of Stones presents the first part of Jason Lutes' captivating trilogy, set in the twilight years of Germany's Weimar Republic. Kurt Severing, a journalist, and Marthe Muller, an art student, are the central figures. *City of Stones* covers eight months in Berlin, from September 1928 to May Day, 1929, meticulously documenting the hopes and struggles of its inhabitants as their future is darkened by a glowing shadow. BERLIN BOOK 2: CITY OF SMOKE TP

(W/A/CA) Jason Lutes

The people of Weimar Berlin search for answers after the lethal May Day demonstration of 1929. Tension builds along with the dividing wall between communists and nationalists, Jews and gentiles, as the dawn of the Second World War draws closer. The lives of the characters within Lutes's epic weave together to create a seamless portrait of this transitory city. Marthe Muller follows lover Kurt Severing as he interviews participants in the May Day demonstration, but moonlights in the city's lesbian nightlife. Lutes creates a sense of anxiety and imminent doom. (STK470903)

GOOD-BYE TP

(W/A/CA) Yoshihiro Tatsumi

Drawn in 1971 and 1972, these stories expand Yoshihiro Tatsumi's vocabulary for characters contextualized by themes of depravity and disorientation in twentieth-century Japan. Some of the tales focus on the devastation the country felt as a result of World War II: in one story a man devotes twenty years to preserving the memory of those killed at Hiroshima, only to discover a horrible misconception at the heart of his tribute. Tatsumi's characters muddle through isolated despair and fleeting pleasure to live out their darkly nuanced lives. (STK460067)

NEW YORK POSTCARDS BY ADRIAN TOMINE

(A/CA) Adrian Tomine

Adrian Tomine has forged countless iconic images of New York City in his career as an illustrator. A master of conveying an entire story with a single panel, his covers for the *New Yorker* are beloved by New Yorkers and non-New Yorkers alike, as much for their frank yet charming portrayal of life in the big city as for their flawless design and gorgeous linework. This postcard set celebrates thirty of Tomine's most well-known illustrations, and is a loving homage to the city that Tomine, a West Coast transplant, has called home for the past eight years. OVER EASY HC

(W/A/CA) Mimi Pond

A fast-paced memoir about diners, drugs, and California in the 1970s. *Over Easy* is equal parts time capsule of late 1970s life in California — with its deadheads, punks, disco rollers, casual sex and drug use - and bildungsroman of a young woman from naïve, sexually inexperienced art-school dropout to self-aware, self-confident artist. Mimi Pond's chatty, slyly observant anecdotes create a compelling portrait of a distinct moment in time. *Over Easy* is an immediate, limber, and precise memoir narrated with an eye for the humor in every situation. THE PUSH MAN AND OTHER STORIES TP

(W/A/CA) Yoshihiro Tatsumi

Thirty years before the advent of the literary graphic novel movement in the United States, Yoshihiro Tatsumi created a library of comics that draws parallels to modern prose fiction and today's alternative comics. The stories collected in *The Push Man* are simultaneously haunting, disturbing, and darkly humorous. A lone man travels the country, projecting pornographic films for private individuals while attempting to maintain a normal home life. An auto mechanic's obsession with a female TV personality turns fatal after a chance meeting between the two. (STK460063)

SCENES FROM AN IMPENDING MARRIAGE HC

(W/A/CA) Adrian Tomine

At the behest of his soon-to-be wife, Adrian Tomine set out to create a wedding favor for their guests that would be funnier and more personal than the typical chocolate bars and picture frames. What started out as a simple illustrated card soon grew into a full-fledged comic book: a collection of short strips chronicling the often absurd process of getting married. A loose, cartoony departure from Tomine's previous work, *Scenes From An Impending Marriage* is a sweet-natured, laugh-out-loud skewering of the modern marriage process, including hiring a DJ, location scouting, trips to the salon, suit fittings, dance lessons, registering for gifts, and managing familial demands. LOVE & ROCKETS MAGAZINE VOL 4 #3

by Gilbert and Jaime Hernandez

$3.99 / Comic / 32 pgs / FC / 6.5 x 10

What is "punk"? What did it all mean? What does it mean now? What will it mean in the end? The Locas girls's punk reunion has come to a close but the evening has just begun. Also, the Animus situation has gotten too BIG for reunited sisters Lumina and Isla. Meanwhile, on the Gilbert side: Fritz starred in a Dr. Who ripoff only to see her 10-year-old daughter take over the role before returning to the show's last episode 5 years later. Meanwhile, Fritz's newly reunited twin daughters get to (uncomfortably) know one another and meet a classic Palomar character (or three)!

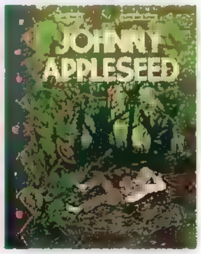
OTHERWORLD BARBARA VOL. 2

by Moto Hagio

$39.99 / HC / 400 pgs / BW / 7.5 x 10.5

In the second (and concluding) volume in Moto Hagio's award-winning science fiction saga, the poltergeist phenomena has become more intense as Nanami and Kiriya both travel to Engaru, where Aoba has dreamt of the island of Barbara for seven years. In the end, it comes down to a father's frantic efforts to save the life of his son. But...*which* son? And who is the dreamer and who is the dreamed? Can the dreamer become the dreamed, and the dreamed the dreamer?



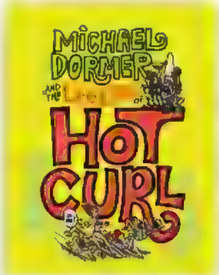
JOHNNY APPLESEED

SPOTLIGHT ON

by Paul Buhle and Noah Van Sciver

$19.99 / HC / 112 pgs / BW / 8.5 x 12.25

Johnny Appleseed spread the seeds of apple trees from Pennsylvania to Indiana, along with notions of nonviolence, vegetarianism, good relations with the indigenous peoples, and peace among the settlers. The story runs counter to the prevailing glorification of violent conquest depicting how the West was won. *Johnny Appleseed* brings this quintessentially American story to life through the deft skills of biographer Paul Buhle (*Radical America*, *The Beats*) and award-winning graphic novelist Noah Van Sciver.

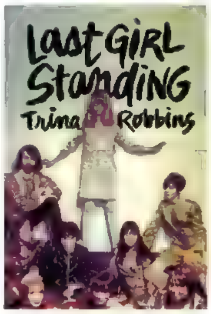


MICHAEL DORMER AND THE LEGEND OF HOT CURL

by Michael Dormer

$39.99 / HC / 116 pgs / PC / 8 x 11

Michael Dormer became synonymous with surf counterculture in the 1960s and 1970s when he created Hot Curl, the mop-haired surfer who quickly became a nationwide sensation and the cult classic TV show *Shrimpenstein*. *Michael Dormer and the Legend of Hot Curl* is the first-ever retrospective of this unique artist's work, collecting all of his Hot Curl comic strips for *SurfToons*, his designs for *Shrimpenstein*, a selection of his fine art, and other surprises, such as his artwork for the opening credits of *Muscle Beach Party*, starring Frankie Avalon and Annette Funicello.



LAST GIRL STANDING

by Trina Robbins

$19.99 / SC / 160 pgs / PC / 6 x 9

Certified Cool

Trina Robbins' *Last Girl Standing* chronicles a life of sex, drugs, rock 'n' roll and comics. From her New York childhood in the 1940s to visiting the EC offices and posing for men's magazines in the 1950s, interacting with rock royalty and entering the orbit of underground cartoonists in the 1960's before moving to San Francisco, co-founding *Wimmen's Comix* and ultimately transforming into a comics historian and lecturer in the '90s and 2000s, Trina Robbins broke the rules and takes no prisoners in this heavily illustrated memoir.

ALL TIME COMICS: BLIND JUSTICE #2

Josh Bayer (story); Noah Van Sciver (pencils); Al Milgrom (inks); Das Pastoras (cover A); Sammy Harkham (cover B); Shaky Kane + Ken Landgraf (cover C); Das Pastoras (wraparound cover D)

$5.99 / Comic / 52 pages / FC / 6.625 x 10.187

A deadly manhunt in pursuit of an escaped maniac pushes Blind Justice, "The Man Who Walks Through Bullets," to his absolute limits. Justice finds himself far from Optic City, exhausted, wounded and on the brink of unraveling a new mystery, darker and stranger than any encountered before. In This DOUBLE-SIZE Special, Blind Justice will face an evil that tests everything he knows about himself and his mission. This, my friends– is IT! and it spells T-H-E E-N-D of All Time Comics, Season One – and anything can happen!

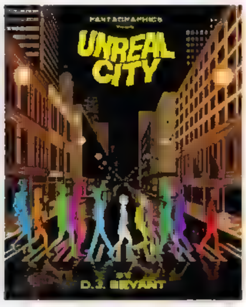
SINKING

COSPLAYERS: PERFECT COLLECTION

by Dash Shaw

$19.99 / SC / 144 pgs / FC / 5.75 x 8.5

Cosplayers is an ode to that defining element of fandom, the "costume play" of so many anime and comic conventions. Celebrating both the culture's theatricality and D.I.Y. beauty, as well as its often awkward conflation of fantasy and reality, *Cosplayers* explores these delicate balancing acts via a series of interconnected short stories. *Cosplayers* will be released around the same time as Shaw's feature film, *My Entire High School Sinking Into the Sea* goes into wide release in 2017. This expanded edition also includes the 2016 single issue comic book, *A Cosplayers Christmas*, as well as the original short story that inspired the film.



UNREAL CITY

by D.J. Bryant

$16.99 / HC / 104 pgs / BW / 10 x 12.5

Unreal City contains five stories about relationships, addressing gender, narcissism, marriage, subjectivity, objectification as the characters attempt to make sense of love, sex, art, and life. Existential and elliptical, the artwork echoes such masters as Jaime Hernandez and Daniel Clowes. In *Unreal City*, characters cannot walk into a room without their world turning inside out. Readers will be similarly upended by the discovery of this major new talent.

THE BLOODY CARDINAL
by Richard Sala

THE BLOODY CARDINAL

by Richard Sala

$16.99 / SC / 96 pgs / FC / 7 x 9.75

The Bloody Cardinal is presumed to be dead. However, he left behind a journal which has become highly sought after and the hunt for his diary has been tied to a string of violent murders. Who is behind these crimes? Could it be The Bloody Cardinal himself? Richard Sala is the modern master of witty mystery and horror comics, and this latest thriller is wickedly smart and funny.

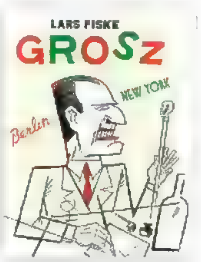
whatsa paintoonist?

WHATSA PAINTOONIST?

by Jerry Moriarty

$24.99 / HC / 88 pgs/ PC / 10 x 13

At the age of 76, the painter/cartoonist Jerry Moriarty returned to his childhood home in Binghamton, New York. Moriarty then interrogated his past via the act of painting, alternating between unconventional pen-and-ink panels that take place in the present and full-color paintings recreating his past. *Whatsa Paintoonist?* is a masterpiece of concision, remembrance, imagination, and artistry, imbued with the love of life and family.



GROSZ

by Lars Fiske

$19.99 / HC / 80 pgs / FC / 8.5 x 11

George Grosz (1893–1959) was a German fine artist, cartoonist, and teacher who drew from pop culture, was active in the Dada and New Objectivist movements in post WWI Berlin. Lars Fiske's graphic biography channels the exuberance and fascination with line that typified Grosz's work and is a far cry from the plodding pedantry of the graphic hagiographies that earnestly clutter library shelves; it's a work of art in its own right.

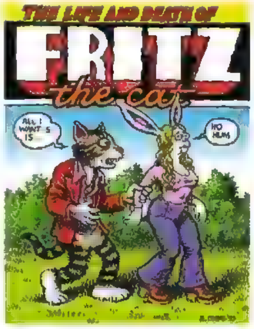
FANTAGRAPHICS STUDIO EDITION: HAL FOSTER'S PRINCE VALIANT

by Hal Foster

$175.00 / HC / 192 pgs / FC / 17 x 23.25

Hal Foster's Prince Valiant Artist's Edition is a 192-page collection scanned from Foster's original pages and printed in full color, capturing every nuance of Foster's masterly brush strokes. Each page is so rare that the sum total of the original art reprinted in this book would likely cost millions. From Foster's very first *Prince Valiant* page to his very last the public will be treated to a selection of some of the most iconic and beautiful comic art ever made.



NEW PRINTING!

THE LIFE AND DEATH OF FRITZ THE CAT

by Robert Crumb

$19.99 / HC / 96 pgs / BW / 8 x 10.5

Robert Crumb's first great character was Fritz the Cat, the horny, hip-talking feline, whose success was such that Crumb had to kill him off. *The Life and Death of Fritz the Cat* contains all the Fritz stories from the earliest sketchbook tales to the classic "peak" Fritz stories through to the despairing "Fritz the Cat, Superstar," with its infamous ice-pick ending. Plus, an introduction by Crumb, sketchbook pages, and more.

EDUCATION

by John Hankiewicz

$30.00 / SC / BW / 8.75 x 11.25

In this experimental and rewarding graphic novel, chronology and permanence are in flux while surreal illusions weave in and out of lucid states, remarkably held together by John Hankiewicz's confident, clean line and crosshatchings. Much like *Here* by Richard McGuire, *Education* is a time-fracture stream of consciousness told by a veteran cartoonist in his poetic prime.

VENICE GN

(W/A/CA) Jiro Taiguchi

When Louis Vuitton decided to produce a series of deluxe travel books for the new century they invited only hand picked comic artists from around the world and placed them in settings unfamiliar to the artists to bring this vision to life. After his mother's death, Jiro Taniguchi discovers a beautifully lacquered box which contains what appear to be old photos and hand-drawn postcards of Venice. One photo of Piazza San Marco catches his eye. It is of a Japanese couple feeding a multitude of pigeons in the square dressed in what looked like 1930's styled clothes. Who were they? What relevance did they have for his mother? Armed with the contents of the lacquered box he travels to Venice to track down the places and events displayed in the images and to discover the identity of the young couple in the old photograph. With very few but well chosen words and his artist's eye for detail, Taniguchi portrays the Venice of today in a most deserving light. (STL051751)

THE OVERSTREET GUIDE TO GRADING COMICS SC (2016 EDITION)

Newly updated, *The Overstreet Guide To Grading Comics* includes the 10-point grading system, as well as exhaustive descriptions of Primary and Split Grades, examples of each grade with more than 200 full-color images in all, articles on storage, preservation, and restoration, a look at the independent, third-party grading companies, and much more! Since 1970, the name "Overstreet" has symbolized a vast knowledge of American comic books. While *The Overstreet Comic Book Price Guide* helps you learn about comic values, this third book in our new "How To" line teaches you the importance of condition (a factor that is often the key to real collectability) and how to grade accurately. DOG MAN VOLUME 3: A TALE OF TWO KITTIES GN

(W/A/CA) Dav Pilkey

Dog Man is back, and he's about to be bested by the world's most conniving cat crook! He was the best of dogs... He was the worst of dogs... It was the age of invention... It was the season of surprise... It was the eve of supa sadness... It was the dawn of hope... Dog Man, the newest hero from the creator of *Captain Underpants*, hasn't always been a paws-itive addition to the police force. While he can muzzle miscreants, he tends to leave a slick of slobber in his wake! This time, Petey the cat's dragged in a tiny bit of trouble — a double in the form of a super-cute kitten. Dog Man will have to work twice as hard to bust these furballs and remain top dog! (STL051708) (C: 0-1-0)

The Baker Street Four
Vol. 2

Written by J. B. Djian
and Olivier Legrand
Illustrated by David Etien

The adventures of the Baker Street Irregulars continue in the second volume of the award-winning comics series based on Sir Arthur Conan Doyle's Sherlock Holmes. *The Baker Street Four, Vol. 2* takes our young heroes from the elegant streets of uptown London to the sinister halls of Bedlam. Together, Billy, Charlie, and Tom—and Watson the cat—face new missions and new enemies, including the terrifying murderer Bloody Percy.

Written by Olivier Peru and Eric Corbeyran
Illustrated by Stéphane Bileau and Jean-Paul Bordier
Colors by Luca Merli and Digikore Studios

In Book One, the reclusive White Elves embark on a quest to capture a White Dragon and bring it back to their islands for safekeeping—a quest with dramatic consequences for all involved. In Book Two, the Half-Elves live in exile—but times change. Will Nah-Thaal be able to change the destiny of his persecuted race? Insight Comics continues the story, adapting the internationally acclaimed Elves series for a new audience. Translated from the original French and featuring show-stopping artwork, this enchanting graphic novel will thrill fans of high-fantasy classics!

KODANSHA COMICS

Mikami's middle age hasn't gone as he planned: He never found a girlfriend, he got stuck in a dead-end job, and he was abruptly stabbed to death in the street at 37. So when he wakes up in a new world straight out of a fantasy RPG, he's disappointed but not exactly surprised to find that he's not a knight or a wizard but a blind slime demon. But there are chances for even a slime to become a hero...

Love & Lies

August 2017 | MSRP $12.99 | Paperback

Love is forbidden. When you turn 16, the government will assign your marriage partner. This dystopian manga about teen love and defiance is a sexy, funny, and dramatic new hit!

Yukari doesn't stand out or excel at anything, but he's in love with Misaki, the most popular girl in school. There's just one problem: He's 15, one year away from receiving his government-assigned marriage partner. He normally wouldn't have the courage to defy the law, but his sickly classmate Ririna still believes in love, and won't stop goading him into confessing his feelings!

THAT TIME I GOT REINCARNATED AS A SLIME VOLUME 1 GN

(W) Fuse (A/CA) Taiki Kawakami

As players of Monster Hunter and Dungeons & Dragons know, the slime is not exactly the king of the fantasy monsters. So when 37-year-old Tokyo salaryman Mikami is abruptly stabbed to death and wakes up in a world of dragons and magic, he's a little disappointed, but not exactly surprised, to find he's not a knight or a wizard. No, Mikami has become a blind, boneless slime monster, and there are chances for even a slime to become a hero! ATTACK ON TITAN COLOSSAL EDITION TP'S

(W/A/CA) Isayama Hajime

Attack on Titan: Colossal Edition is an oversized collection of the *Attack on Titan* manga series! Humanity has been devastated by the bizarre, giant humanoids known as the Titans. Little is known about where they came from or why they are bent on consuming humanity. For the past century, what's left of mankind has hidden in a giant, three-walled city. People believe their 100-meter-high walls will protect them from the Titans, which are 10 to 20 meters tall. But the sudden appearance of an immense Titan is about to change everything. Weighing in at a massive 960 pages and collecting five volumes each, the *Colossal Edition* contains the same material as the original volumes, but the story is printed bigger and on higher-quality paper. ICHI-F: A WORKER'S GRAPHIC MEMOIR OF THE FUKUSHIMA NUCLEAR PLANT HC

(W/A/CA) Kazuto Tatsuta

The strongest earthquake in Japanese history hit the Tohoku region on March 11, 2011, and the resulting tsunami killed over 15,000 people. The world watched as the Fukushima Dai-ichi (Fukushima #1, or 1-F) nuclear plant, its safety equipment drowned by the tsunami, experienced a slow and catastrophic meltdown. One of the clean-up workers tells his story in *Ichi-F*. A singular insider's look at an event that destroyed a region and changed how the world sees nuclear power. This matter-of-fact depiction of the daily life of a nuclear cleanup worker is unique among disaster memoirs. SCOTT PILGRIM'S PRECIOUS LITTLE CARD GAME

Recommended by Matthew Demary

Bryan Lee O'Malley latched onto something many people can relate to in his graphic novel series *Scott Pilgrim* from Oni Press. Titular character Scott Pilgrim struggles with many of the issues that everyone faces when their childhood comes to a screeching halt and the responsibilities of adulthood take center stage. Scott struggles with his love life, financial security, and a league of his new girlfriend Ramona Flowers' ex-boyfriends hunting him.

The graphic novel became a massive success for O'Malley. A movie directed by Edgar Wright hit the silver screen in 2010 and became a cult classic. Now we have a new exciting entry into the *Scott Pilgrim* universe. Renegade Games and Oni Press are working closely with O'Malley to design a deck building card game. If you've ever wanted to take over the role of Scott or one of his friends, take matters into your own hands, and bring the fight right to the league of evil ex's be sure to check out *Scott Pilgrim's Precious Little Card Game* from Renegade Game Studio this year.

FETCH: HOW A BAD DOG BROUGHT ME HOME GN

(W/A/CA) Nicole J. Georges

Certified Cool™

When Nicole Georges was sixteen she adopted Beija, a dysfunctional shar-pei/corgi mix-a troublesome combination of tiny and attack, just like teenaged Nicole herself. For the next fifteen years, Beija would be the one constant in her life. Through depression, relationships gone awry, and an unmoored young adulthood played out against the backdrop of the Portland punk scene, Beija was there, wearing her "Don't Pet Me" bandana. Georges's gorgeous graphic novel *Fetch* chronicles their symbiotic, codependent relationship and probes what it means to care for and be responsible to another living thing, a living thing that occasionally lunges at toddlers. Nicole never successfully taught Beija "sit," but in the end, Beija taught Nicole how to stay. (CA) Jim Rugg

Two myths. One legend. The greatest love story ever told has finally been released in graphic novel form, featuring 29 short stories about the domestic life of "Henry" and "Glenn" and sometimes their neighbors "Daryl" and "John." Glenn deals with issues with his mother while Henry, "a loud guy with a good work ethic," shows his darker side and indifference to a fan as he drinks black coffee and bonds with Glenn over their distaste for their own bands. These are two men who truly suffer best together. This book collects four serialized comics, adds even more never-before-published pages than the previous collective edition, and will have a spiffy hardcover. (STL052890)

(W/A/CA) Jose Munoz, Carlos Sampayo

Born in Baltimore in 1915, and dead too early in New York in 1959, Billie Holiday became a legendary jazz singer, even mythical. With her voice even now managing to touch so many people, we follow a reporter on the trail of the artist on behalf of a New York daily. Beyond the public scandals that marred the life of the star (alcohol, drugs, violence...), he seeks to restore the truth, revisiting the memory of Billie. Through this investigation, Muñoz and Sampayo trace, through the undertones of racism, and in the wake of the blues, the slow drift of a singer who expressed the deepest emotions in jazz, creating not just a biography but a spell-binding art book tribute. STAR of the MONTH

ELVIS HC

(W/A) Philippe Chanoinat, Fabrice Le Henanff

Stepping into Sun Studios in 1954 Elvis Aaron Presley recorded his first single "That's All Right." Little did he know he would soon revolutionize music and culture worldwide. This graphic novel biography starts with the story of "The King's" humble beginnings in Mississippi, detailing, every step of the way, his meteoric rise to the stratosphere of stardom. It includes his service in the military, his extensive record as a Hollywood film star, his complicated family life, finally ending on the last days of the Hound Dog. Le Henanff's striking photo-quality painting reconstructs Elvis's life in a presentation that practically dances off the page! (STL015883) (C: 0-0-1)

KATIE O'NEILL (W/A/C/CA)

72 Pages, **$17.99**, RELEASE DATE: **10/18/17**, **ALL AGES**

From the award-winning author of *Princess Princess Ever After* comes *The Tea Dragon Society*, a charming all-ages book that follows the story of Greta, a blacksmith apprentice, and the people she meets as she becomes entwined in the enchanting world of tea dragons.

After discovering a lost tea dragon in the marketplace, Greta learns about the dying art of tea dragon caretaking from the kind tea shop owners, Hesekiel and Erik. As she befriends them and their shy ward, Minette, Greta sees how the craft enriches their lives—and eventually her own.

"Katie O'Neill's work feels like a hot cup of tea on a crisp winter morning. *The Tea Dragon Society* is no exception; it's absolutely brimming with gentle, thoughtful, gorgeous little moments."

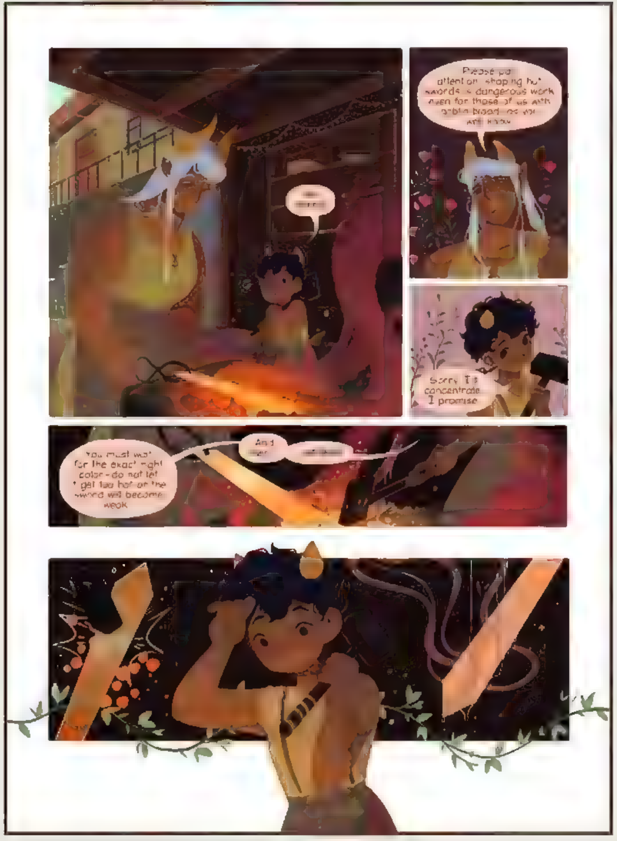
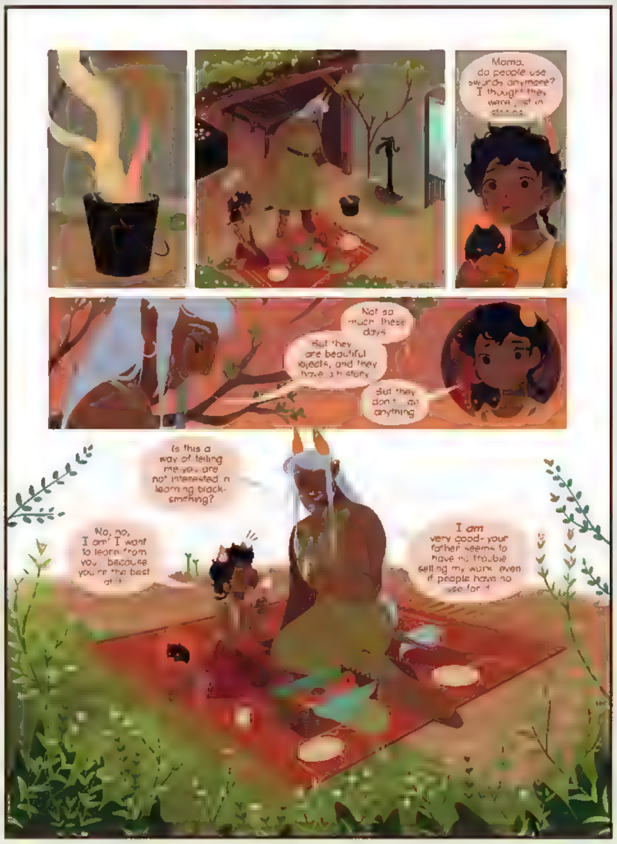
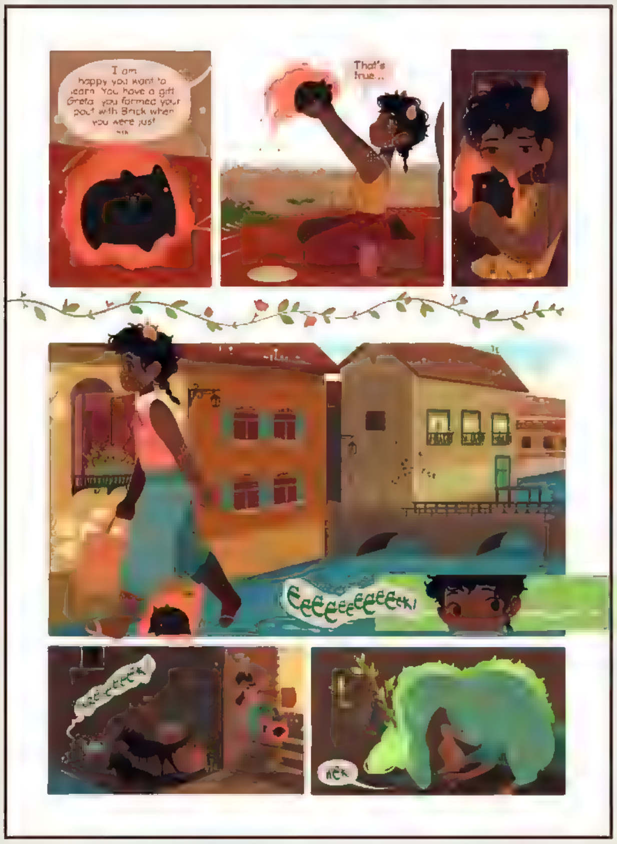
Once upon a time, blacksmiths were as important as magicians.
They made tools for healers to cure the sick.
Swords for adventurers to slay monsters.
Shoes to shod the hooves of working animals.
The world was forged in iron. .Once upon a time...
Greta! Are you listening?



Please pay attention. Shaping hot swords is dangerous work even for those of us with goblin blood, as you well know.
Sorry. I'll concentrate. I promise.
You must wait for the exact right color—do not let it get too hot or the sword will become weak.
And



Mama, do people use swords anymore? I thought they were just in stories.
Not so much these days.
But they are beautiful objects, and they have a history.
But they don't do anything.
Is this a way of telling me you are not interested in learning blacksmithing?
No, no, I am! I want to learn from you, because you're the best at it.
I am very good—your father seems to have no trouble selling my work even if people have no use for it.



I am happy you want to learn. You have a gift, Greta. You formed your pact with Brick when you were just six.
That's true...

So why grow up, anyway? Is it really worth it? Don't you have better things to do? Why does it matter whether or not your indie-rock band gets that great gig? You started a band to have fun, and now you're going to get your butts kicked by robots. And who wants to deal with the headache of dating? Look, we've all got baggage. Some of us have drama that likes to pick fights and exes that like to throw punches. Love is a battlefield! So you'd rather sit on the couch throwing punches in your favorite video game. Hey, who's going to stop you? Demons, fireballs, giant purple dudes?? Sounds like a bummer! If you want to keep living your precious little life, maybe it's time to get it together and go up against the world!"

THE SCARLET ROSE VOLUME 1 GN

(W/A/CA) Patricia Lyfoung

Maud is quite happy living her simple life with her father and learning the exciting art of sword fighting. But when her father is murdered, Maud is whisked away from the life she knows by her rich and lordly grandfather. He wants to give her a home — on his terms — and help Maud become a real lady. All Maud wants to do is keep on fighting, so that she can have her revenge on her father's killer. High adventure and historical fiction come together in a swashbuckling thriller! Swords, vengeance, and a dashing highwayman known as the Fox comprise the key components to *The Scarlet Rose*, as Maud learns everything she thought she knew about her life wasn't true, and how to grow and grieve after losing her father. The Scarlet Rose blends exciting, thrilling action with grounded, emotional characterization. Available in Softcover and Hardcover editions. (STL052053) (C: 0-0-1)

TALES FROM THE CRYPT: HORRORCIDE #3

(W) Larry Hama
(A) Mike Mayhew & Various
(CA) Michael Golden

Special Guest Writer/Editor Larry Hama concocts three all-new terror tales with classic EC twists! In "Eliza's Dolly," Mary Beth Ludlow is very annoyed with neighbor child Eliza, the eccentric five-year-old who is always trundling up and down the sidewalk in their cozy suburban neighborhood with a ratty old baby doll carriage with squeaky wheels. But whenever Mary Beth tries to see what's in the carriage, Eliza closes it up and wheels away. Eventually, Mary Beth will find out exactly what is in that baby carriage, but she's definitely not going to like it — but we suspect sophisticated horror aficionados will absolutely love it! As you will the other two fear fables that are just too vile to discuss this august catalogue of American comicbook publications! (STL052079) (C: 0-0-1)

PRE-CODE CLASSICS: ADVENTURES INTO DARKNESS VOLUME 1 HC

(A) John Celardo & Various

The covers alone are worth the price of admission — Alex Toth, Jerry Grandenetti, plus, for fans of DC's *My Greatest Adventure*, Ruben Moreira — comics just don't come no better than this, folks. Standard Comics did not believe in #1 issues. They were convinced that comics sold better if they appeared to have been around for a while, and therefore they started all their horror titles with #5, each lasting about ten issues of fairly well-done E.C. imitations. Collects issues #5-9 (August 1952 to April 1953). (STL050512) (C: 0-1-1)

And now this first volume in PS's *Silver Age Classics* sets out to reprint the whole run the way it should be done. Just take a look at those covers, comic book fans! THINGS YOU SHOULDN'T REMEMBER GN

Recommended by Trevor Richardson

Who hasn't had a moment of recollection that, when shared, drew the long stares of clueless friends or coworkers? What if those memories were suddenly verified by others, even just one or two? Alone, you might just be mistaken, but as a group of dozens or even hundreds, questions begin to arise.

Is this some kind of collective mania or shared hallucination? Is it perhaps something more sinister? Treating these memories like a spreading pandemic, a mysterious group known as "The Handlers" are hunting down and destroying those who recollect. Personifying blacklisted information in the form of these persecuted citizens, *Things You Shouldn't Remember* from Darby Pop Publishing challenges your assumptions about reality, shared memory, true history, and what Aldous Huxley called "the Doors of Perception." In an era of science deniers, alt-facts, and social unrest, Luis Roldan's story is timely, acerbic, and could not be more relevant.

Things You Shouldn't Remember is a frightening medley of adventure, humor, and horror that challenges our culture and the trustworthiness of our own minds.

読漫画 MANGA MONTH

It's been seventeen long years since the Fleet of Fog—a mysterious, unmanned fleet of powerful vessels that appeared out of nowhere — took control of the oceans, barring humanity from traveling between continents or islands. Now, a weapon powerful enough to damage the Fog's vessels has finally been invented, and there's just one way of getting the critical information and prototypes from Japan to America, where the weapon can be produced. The submarine *I-401*, with its humanoid avatar — a "mental model" named Iona, who's taken the shape of a young girl — was once part of the Fleet of Fog, but has chosen to side with humanity. Captained by Chihaya Gunzo and his crew, the *I-401* is the only ship under human control that can move freely through the seas. But she answers only to her captain, and he answers to no one. (W/A/CA) Coolkyoushinja

For fans of *Nichijou* and *Monster Musume* comes a comedic tale of a young woman's relationship with a magical transforming dragon maid — now with an anime adaptation! Miss Kobayashi is your average office worker who lives a boring life alone in her small apartment — until she saves the life of a female dragon in distress. The dragon, named Tohru, has the ability to magically transform into an adorable human girl (albeit with horns and a long tail!), who will do anything to pay off her debt of gratitude, whether Miss Kobayashi likes it or not. With a very persistent and amorous dragon as a roommate, nothing comes easy, and Miss Kobayashi's normal life is about to go off the deep end! (STL050358) (C: 0-1-0)

For fans of *My Monster Secret* comes a fresh, elvish take on the monster girl genre! Every so often, a child is born with the features of a legendary being. From long, graceful elvish ears, to burly dwarven muscles, or an oni's horns, you never quite know who, or what, you'll see walking down the street these days. However, none of these individuals are born with the inherent traits their species are known for, and no one is more painfully aware of this than Kazamori. Born with the appearance of an elf, everyone expects her to wield magic, but she just can't do it! Kazamori has managed to hide this fact until now, but when an ordinary human who can use his own science-based version of magic learns the truth about her, what's a young elf girl in high school to do? The newest monster girl series from the creator behind the *New York Times* best seller *Monster Musume*! There are three things you should know about Touga Eita, second-year high school student and heir to the Touga-style ninjutsu dojo. First, he really, *really* loves video games. Second, when given a choice between heroics and saving his own skin, he will *always* choose the latter. Third, he's never so much as kissed a girl! All this changes when a voluptuous girl with wings and taloned feet named Aero appears and calls on Eita to help save her people — the harpies of Re-Verse — from a merciless onslaught of giant robot monsters known as Gigas. Eita will follow his newfound harpy friend into a whole new world, filled with monster girls and fantastical creatures beyond his wildest dreams. (STL050366) (C: 0-1-0)

ANNE OF GREEN GABLES ILLUSTRATED SC

(W) Lucy Maud Montgomery
(A/CA) Maki Minami

Re-experience the heart-warming original story of *Anne of Green Gables* with adorable artwork by a fan-favorite manga artist! Seven Seas is pleased to present *Anne of Green Gables*, an all-new illustrated edition, of the beloved classic by Lucy Maud Montgomery. A beloved and bestselling series for over ten decades, *Anne of Green Gables* follows the life of the spirited Anne Shirley who is adopted by a farm-owning couple on Canada's Prince Edward Island.

Known by readers of all ages around the world, *Anne of Green Gables* is a modern classic of youth literature. It has been adapted into numerous films, plays, musicals, and television shows. This new edition re-introduces readers to the original novel, Anne of Green Gables, in its entirety, accompanied by over one hundred black-and-white spot illustrations by Japanese artist Maki Minami, plus an all new map of Avonlea. When Matthew and Marilla Cuthbert decide to adopt an orphan to help them tend their farm on Canada's Prince Edward Island, they are shocked when an eleven-year-old girl is sent to them instead, the affable Anne Shirley. Despite their initial disappointment, the Cuthberts are quickly won over by Anne's charm, spirit, and wit.

Follow Anne as she adapts to her new family and finds a place for herself on the island-befriending neighbors, attending school, exploring her adoration for the written word, and using her endless imagination to enchant locals and readers alike. (STL050668)

Revisit the hallowed halls of the Misselthwaite Manor in this new edition of the classic novel, *The Secret Garden*, presented with eye-catching manga-style artwork! Young Mary Lennox is left an orphan when her parents die of illness while living abroad in India. Raised primarily by servants, Mary is left to mourn the loss of her inattentive parents before eventually being sent to live under the care of her Uncle in Yorkshire, England. It's there in Misselthwaite Manor that she meets two young boys — a young servant named Dick, and her cousin, Colin, who lives locked away in the manor due to a disability that leaves him bound to a wheelchair. Together the trio discover a secret garden locked away in the manor grounds. As they work to restore it, the three learn about each other, their families, and their own personal strengths. OCEAN OF SECRETS Vol. 2

Story and Art by Sophie-Chan

On a flight back home, geology student Rai catches a glimpse of Lyronaz. Determined to find an explanation to what he saw, Rai begins an intensive search to find the mysterious floating kingdom. Meanwhile in Lyronaz, Moria discovers her father's involvement in the Queen's murder and finds out why Princess Aneome was kidnapped. As pirates prepare to destroy the land, the three kingdoms prepare for war. What does Anemone hold that is so precious to the pirates? Will the three kingdoms unite and conquer the dark powers of magic that the pirates possess?

ALEXANDER HAMILTON: THE GRAPHIC HISTORY OF AN AMERICAN FOUNDING FATHER GN

(W) Jonathan Hennessey
(A/CA) Justin Greenwood

From the *New York Times* best-selling author of historical graphic novels like *The United States Constitution* and *The Gettysburg Address*, this graphic novel biography of Alexander Hamilton, American founding father and current pop culture/Broadway icon, illustrates his life, death, and historical legacy in a giftable, visually stunning package! Alexander Hamilton was a key figure in United States history, on hand for the Revolutionary War, the development of the Constitution, and the establishment of the Treasury and banking as we know them today. Author Jonathan Hennessey and comic book illustrator Justin Greenwood team up to bring the story of Alexander Hamilton to life in a fully-illustrated biography that captures the period, people, and places on hand for the birth of the United States. Available in Softcover and Hardcover editions. (STL049766) (C: 0-1-0)

O/A DRAW! MAGAZINE #33

Draw! gets down to the nitty-gritty of superstar artist (and Eisner and Emmy Award winner) Bill Sienkiewicz! From *Electra: Assassin* and the groundbreaking *Stray Toasters*, to movie work on *Unforgiven*, *The Dark Knight*, and the Jimi Hendrix tribute book *Voodoo Child*, Bill pulls back the curtain to show his amazing creative process. Next, *Draw!* takes you to the The Watts Atelier of The Arts! In today's highly competitive world of illustration and concept design — and skyrocketing school tuitions — founder Jeffery Watts has been running one of the best ateliers for training, where students gain the skills they need to get the jobs they want. **NOTE:** May contain nudity for figure-drawing instruction; suggested for Mature Readers Only. COMIC BOOK FEVER

COMIC BOOK FEVER SC

George Khoury presents a "love letter" to his personal golden age of comics, 1976-1986, covering all the things that made those comics great — the top artists, the coolest stories, and even the best ads! Remember the days when every comic book captured your imagination, and took you to new and exciting places? When you didn't apologize for loving the comic books and creators that gave you bliss? *Comic Book Fever* captures that era, when comics offered all different genres to any kid with a pocketful of coins, at local establishments from 7-Elevens to your local drug store. Inside this full-color hardcover are new articles, interviews, and images about the people, places, characters, titles, moments, and good times that inspired and thrilled us in the Bronze Age. SPLIT!
by Michael Eury

HERO-A-GO-GO! SC

Welcome to the Camp Age, when spies liked their wars cold and their women warm, good guys beat bad guys with a pun and a punch, and Batman shook a mean cape. *Hero-A-Go-Go* celebrates the camp craze of the Swinging Sixties, when just about everyone — the teens of Riverdale, an ant and a squirrel, even the President of the United States — was a super-hero or a secret agent. Michael Eury takes you through that coolest cultural phenomenon with this lively collection of nostalgic essays, histories, and theme song lyrics of classic 1960s characters like Captain Action, Herbie the Fat Fury, Captain Nice, Atom Ant, Scooter, ACG's Nemesis, Dell's super-Frankenstein and Dracula, the "split!" Captain Marvel, and others! (STL031673)

STORY OF JEZEBEL GN

(W/A/CA) Elijah Brubaker

Sunday school meets Comedy Central. From up-and-coming comic artist Elijah Brubaker comes *The Story of Jezebel*, a thoroughly modern, and hilarious, take on the Old Testament tale of paganism, murder, and sex. King Ahab is arranged to marry the beautiful Jezebel, a hip chick with a short fuse, whose interest in the pagan god Baal doesn't sit well with the people. With a mix of satirist wit and visual verve, Brubaker puts his unique twist on angels, famine, war and even bear maulings, without losing touch with the biblical source material. If your grandma's Sunday school was a Comedy Central special, it would be Elijah Brubaker's *The Story of Jezebel*. (STL051875) (C: 0-1-0)

BECAUSE YOU DEMANDED IT – WAR MOTHER RETURNS IN A RIVETING NEW SERIES! Out of the pages of 4001 A.D., the breakout hero of 41st century charges onward in an high-powered tale of tomorrow from New York Times best-selling writer Fred Van Lente (ARCHER & ARMSTRONG) and high-octane artist Stephen Segovia (NINJAK, Action Comics)!

Two millennia from today, Earth is not the hospitable home we once we knew. Ravaged by an endless onslaught of war, disaster, and time, the world is littered with desolate badlands, fortified kingdoms, and secretive enclaves where humanity still clings to life... Enclaves like The Grove - Earth's last known repository of scientific knowledge and bioengineered prosperity. Now, under the leadership of the lone protector called WAR MOTHER and her sentient sniper rifle, the denizens of The Grove face a critical choice: remain where they are and die, or find a new land and flourish. Can War Mother lead her people out of isolation and reignite the fires of a dying planet? And even if she can locate the distant citadel she seeks, can she fight back the horrors and perverse monstrosities that lurk just beyond her doorstep?

In the footsteps of RAI and BOOK OF DEATH, raw power meets tribal warfare as Fred Van Lente & Stephen Segovia forge a modern myth of the near future through the fire-tempered frontier of 41st century Earth for Valiant's next stunning science-fiction showdown!

FAITH VOL.4: THE FAITHLESS TPB

Introducing the ultimate supervillian revenge squad!

The villains are coming! Faith's most fearsome foes and ruthless rogues–including Chris Chriswell, Murder Mouse, Dark Star, and Sidney–have finally united, creating an unstoppable coalition of evil with one goal in mind: Destroy Faith Herbert! Together, they are The Faithless...and if Los Angeles' greatest hero doesn't think fast and fly even faster, they're going to ground the sky-soaring psiot for good!

Join acclaimed writer Jody Houser (*Mother Panic, Star Wars: Rogue One*) and stratospheric artists Joe Eisma (*Archie, Morning Glories*), Marguerite Sauvage (*Shade The Changing Girl*), and Kate Niemczyk (*Mockingbird*) as they send Valiant's high-flying hero headlong into a deadly gauntlet of unstoppable adversaries hellbent on wreaking revenge and ruin!

LAUNCH

Neverland was once a beautiful realm of imagination and adventure before the tyrant, a vampire-like being named Peter Pan—who fed on the life force of—children had filled it with fear and servitude. Pan was defeated by Nathan Cross, a former victim of Pan's evil. And with that defeat, Neverland returned to its former glory. Now a new evil is rising, and Cross is being pulled back into the realm that once haunted his very existence.

'CAPTAIN HOOK' NATHAN CROSS RETURNS TO BATTLE A NEW THREAT THAT IS OUT TO DESTROY THE REALM OF NEVERLAND!

CANNABIS WORKS 2 HC

(W) Ilya (A/CA) Tatsuyuki Tanaka

CANNABIS WORKS 2 ("CW2") is Tatsuyuki Tanaka's second art collection, and first in 13 years. Tanaka, who also works under the name of CANNABIS, is a sought-after Japanese animator and illustrator, who worked for the legendary animation *Akira*. *CW2* collects much of his work from 2003 to 2016, and showcases his recent illustrations for books, magazines and record covers, as well as key art for the Tokyo Anime Award Festival 2015. In addition to those works, it features unpublished illustrations and sketches such as a 22-page silent manga called "Visitor," which is created exclusively for *CW2*. COMICS, TRAUMA, AND NEW ART OF WAR HC

(W) Harriet E.H. Earle

Conflict and trauma remain among the most prevalent themes in film and literature. Comics has never avoided such narratives, and comics artists are writing them in ways that are both different from and complementary to literature and film. In *Comics, Trauma, and the New Art of War*, Harriet E. H. Earle brings together two distinct areas of research-trauma studies and comics studies-to provide a new interpretation of a long-standing theme. Focusing on representations of conflict in post-Vietnam War American comics, Earle claims that the comics form is uniquely able to show traumatic experience by representing events as viscerally as possible. CONSIDERING WATCHMEN SC (REVISED EDITION)

(W) Andrew Hoberek

Now with full color illustrations! Alan Moore and Dave Gibbons's *Watchmen* has been widely hailed as a landmark in the development of the graphic novel. Demonstrating a keen eye for historical detail, *Considering Watchmen* gives readers a new appreciation of just how radical Moore and Gibbons's blend of gritty realism and formal experimentation was back in 1986. The book also considers *Watchmen's* place in the history of the comics industry, reading the graphic novel's playful critique of superhero marketing alongside Alan Moore's public statements about the rights to the franchise. JIM SHOOTER: CONVERSATIONS HC

(W) Jason Sacks & Various

As an American comic book writer, editor, and businessman, Jim Shooter (b. 1952) remains among the most important figures in the history of the medium. Starting in 1966 at the age of fourteen, Shooter, as the young protégé of verbally abusive DC editor Mort Weisinger, helped introduce themes and character development more commonly associated with DC competitor Marvel Comics. Shooter created several characters for *The Legion of Super-Heroes*, introduced Superman's villain the Parasite, and jointly devised the first race between The Flash and Superman. For over seventy-five years, Archie and the gang at Riverdale High have been America's most iconic teenagers, delighting generations of readers with their never-ending exploits. *Twelve-Cent Archie* is not only the first scholarly study of the Archie comics, it is an innovative creative work in its own right. Fans of the comics will be thrilled to read in-depth examinations of their favorite characters and motifs, including individual chapters devoted to Jughead's hat and Archie's sweater-vest. But the book also has plenty to interest newcomers to Riverdale, as it recounts the behind-the-scenes history of the comics and analyzes how Archie helped shape our image of the American teenager. WONDER WOMAN: BONDAGE AND FEMINISM IN THE MARSTON/PETER COMICS 1941-48 SC (REVISED EDITION)

(W) Noah Berlatsky

Now with full-color illustrations! William Marston was an unusual man — a psychologist, a soft-porn pulp novelist, more than a bit of a carny, and the (self-declared) inventor of the lie detector. He was also the creator of Wonder Woman, the comic that he used to express two of his greatest passions: feminism and women in bondage. Comics expert Noah Berlatsky takes us on a wild ride through the Wonder Woman comics of the 1940s, vividly illustrating how Marston's many quirks and contradictions, along with the odd disproportionate composition created by illustrator Harry Peter, produced a comic that was radically ahead of its time in terms of its bold presentation of female power and sexuality. Oswald the Lucky Rabbit: The Search for the Lost Disney Cartoons is an in-depth look at the origins of the Disney Brothers Cartoon Studio and their first major fully animated success in 1927 with Oswald the Lucky Rabbit series. The narrative explores the historical importance of this character within The Walt Disney Company and recounts, first, the rejection of the first Oswald short, "Poor Papa," followed by the overwhelmingly positive reception of second short, "Trolley Troubles," and the ultimate loss of Disney's rights to the character and the company's modern-day journey to reclaim Disney's films. DOCTOR WHO: MYTHS AND LEGENDS HC

(W) Richard Dinnick
Time Lords are storytellers. They use stories to explain the universe around them, both to each other and to the beings from other worlds that they meet, from Hercules and Pandora to Jason and the Argonauts. *Myths and Legends* is a collection of the most enduring of these tales: stories Time Lords have told for thousands of years that explain their culture, their history, their hopes and fears. A collection of epic adventures from the Time Lords' mist-covered past, *Myths and Legends* is a unforgettable gallery of Gallifreyan heroes and villains, gods and monsters. (STL050821) (C: 0-1-1)

IT'S ALIVE!: CLASSIC HORROR & SCI-FI MOVIE POSTERS HC

(W) Daniel Finamore & Various

One of the world's premier collections of horror and sci-fi movie posters amassed, not altogether surprisingly, by the dark mind of Metallica's lead guitarist, Kirk Hammett. Before Kirk Hammett assumed the heavy metal mantle of one of the most successful and beloved bands in rock history, he was a geek for the imaginative universe of horror. This generously illustrated book highlights the finest examples from Hammett's personal collection—an astonishing trove of horror and sci-fi film posters that span the history of the genre. In this volume, several intriguing essays cover the history of the film poster, the brain's response to fear, and Hammett's own contributions to the world of the macabre. (STL049771) (C: 0-1-0)

MOVIES OF THE 1970S (BIBLIOTHECA EDITION)

The 1970s: that magical era betwixt the swinging '60s and the decadent '80s, the epoch of leisure suits and Afros, the age of disco music and platform shoes. As war raged on in Vietnam and the Cold War continued to escalate, Hollywood began to heat up, recovering from its commercial crisis with box-office successes such as *Star Wars*, *Jaws*, *The Exorcist*, and *The Godfather*. Meanwhile, across the Atlantic, while the Nouvelle Vague died out in France, its influence extended to Germany, where the New German Cinema of Fassbinder, Wenders, and Herzog had its heyday. RUBE GOLDBERG'S SIMPLE NORMAL HUMDRUM SCHOOL DAY HC

(W) Jennifer George (A/CA) Ed Steckley

If Rube's inventions are any indication, "normal" means something very different in the Goldberg household. For Rube, up is down, in is out, and the simplest path to accomplishing an everyday task — like brushing his teeth or getting dressed — is a humorously complicated one. Follow Rube as he sets out on a typical school day, overcomplicating each and every step from the time he wakes up in the morning until the time he goes to bed at night. This book features fourteen inventions, each depicting an interactive sequence whose purpose is to help Rube accomplish mundane daily tasks: a simple way to get ready for school, to make breakfast, to do his homework, and so much more. GIRLS AND CORPSES MAGAZINE #30

THE RUSSIANS ARE COMING! THE RUSSIANS ARE COMING… to *Girls and Corpses Magazine*! Shot in a real 1961 bomb shelter, three HOT Russian beauties must use their wits, and firm young bodies, to survive in a bunker with a few good corpses and one putrid President. This mother of all issues will drop in August and destroy all other magazines. Our Summer cover is "top secret", but we're leaking it here just for ***PREVIEWS*** readers! Corpsy met with Russian 'officials' for months, which he is prepared to deny, to be as accurate as possible for this stunning Glasnost issue. This issue is filled with tons of sick humor and goes best with a cold stiff vodka. You'll be *Russhing* to order it and be *Putin* it on your shelves. So, can't we all "just get along"… and read *Girls and Corpses*? *Dasvidaniya*! (STL051280) (Rhine Ent)

GRAPHITTI DESIGNS FLASHBACK

In the mid-80's, Graphitti Designs found itself in the enviable position of being able to produce a line of deluxe hardcover books that represented the top comics being published at that time. The Rocketeer by Dave Stevens released in 1985, was our first book. In all, we produced almost 90 books featuring the best that publishers from DC Comics to Marvel/Epic had to offer. With many selling out prior to production, our catalog of hardcover books are still considered "crown-jewels" among collectors worldwide...which we proudly agree with.

ALIENS: MOTION TRACKER PROP REPLICA

To produce a screen accurate replica of the Motion Tracker, Hollywood Collectibles Group first had to track down all of the original components that the prop master for *Aliens*, Terry Reed, used to make the original. This included the correct Kango 426 hammer drill casing and Hama slide viewer. Using these parts, accurate prototypes were built to enable the production of a replica that is faithful to the prop seen in the movie. Constructed using a thick, high quality, injection molded polymer case, metal and other mixed media (just like the original), the Motion Tracker replica also features authentic working electronics and sound! A press of the button and the video sequence starts with the Aliens closing in, and the "beeps" getting ever closer together. Includes a table top display stand. K'NEX LINCOLN LOGS 100TH-ANNIVERSARY BUILDING SET TIN

Inspired by one of the original Lincoln Logs builds, the "Meeting House," this 100th Anniversary Tin will evoke nostalgia in older generations and bring happiness to children. The manual offers three building ideas: a tall tower, two small houses with a bonfire, and a large cabin. Children can follow these guides or mix and match to build their own structures. The package includes 111 pieces made of real, high-quality maple wood. Each has indentations that can be used to connect it with others. Pieces are included for the roof, roof facade, walls, chimney, porch, fences, bonfire, and bonfire seats. (STL049197) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in June 2017. (3167/00854) (C: 1-0-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DRAGONBALL SUPER: DRAGON STARS ACTION FIGURES

The *Dragon Stars Series* is comprised of the most highly detailed and articulated figures in the *Dragon Ball Super* line. Standing at 6 1/2" and having 16 or more points of articulation and additional hands, these figures can be posed in hundreds of positions. The ongoing collectible series will include many characters from Dragon Ball's rich history. Characters announced for the 1st wave include Super Saiyan Goku, Vegeta, and Beerus. The 2nd wave will include Goku, Super Saiyan Vegeta, and Frieza in Final Form. Figures come packaged with an exclusive collectible piece that can be combined to form the dragon Shenron. Each figure sold separately. (STL042267) (9036) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DRAGONBALL SUPER: DELUXE SCOUTER

"It's over 9000!" By looking through the lens of the Scouter head set, characters in *Dragon Ball* would know their enemies power level and could adjust their attack plans accordingly. This Deluxe Scouter is faithfully reproduced in two styles; green or red lens. It's also appointed with an adjustable head strap for a comfortable fit for young or older heads. To hear the many sound effects built in, simply press the red activation button. The signature *Dragon Ball* sounds will help fans re-enact their favorite *Dragon Ball* scenes with authenticity. Each sold separately. (STL042270) (9036/35880) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

Roleplay $14.99

DRAGONBALL SUPER: DELUXE KAMEHAMEHA SHOOTER

Now the power to unleash Goku's signature Kahmehahmeha energy ball blast is in your hands. Strap the launching unit to your wrist and then insert the energy ball. Once inserted, you'll begin to hear Goku's voice saying "KA ME HA ME ..." while additional sound effects play in the background. When you're ready to fire the energy ball and blast your enemies, simply hit down on the activation button with your other wrist or hand and the energy ball will blast off and the final "HAAA" and explosion sounds will be heard as the foam energy ball flies through the air. (STL042271) (9036/35885) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

Roleplay $19.99

DRAGONBALL SUPER: FINAL ATTACK ACTION FIGURES

Sculpted in Final Attack position, these 7" figures cast a long shadow of supremacy across their enemies and an even longer path of destruction when they fire off their energy blast. To operate, place the energy disk on the crank arm between the figure's hands. Crank the disk clockwise to wind up. Aim the figure at a safe target and press the release button on the character's back to launch the energy blast. Collect both Super Saiyan Goku and Vegeta. Each figure sold separately. (STL042269) (9036/35870) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

GUARDIANS OF THE GALAXY VOL. 2: STAR-LORD COLLECTORS GALLERY STATUE

Born on Earth to an Earthling mother and alien father, Peter Quill aka Star-Lord quickly found his way to the stars, surviving among the space pirates known as Ravagers. Peter's adventures have taken him from one end of the galaxy to the next along with his rag-tag team of misfits. Straight from his silver-screen appearance in *Guardians of the Galaxy Vol.2*, the Star-Lord Collector's Gallery Statue has been digitally sculpted down the most minute detail, and hand-painted by the amazing artisans of Gentle Giant Studios. Star-Lord is rocking his signature helmet, has his blaster in hand and is full of the attitude that has made him one of the notorious rogues in the galaxy... or at least in his own mind. This 1/8-scale statue of Star-Lord is the fourth in Gentle Giant's Marvel Collector's Gallery statue line. Comes numbered with a Certificate of Authenticity. (STL053209) Scheduled to ship in September 2017. (5498/80777) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

STAR WARS COLLECTORS GALLERY: IG-88 STATUE

The fearsome IG-88 was a rival to Boba Fett and was an imposing presence when he arrived on the *Executor*, answering Darth Vader's call for ruthless bounty hunters. Far more terrifying than battle droids were the assassin droids, who were independently programmed mechanical killers that roamed the galaxy and had no masters. IG-88's battered, chrome, war droid exterior suggests a richer, more violent history than we were able to glimpse in *The Empire Strikes Back*.

The artists a Gentle Giant take you on a journey to see IG-88 in his prime and on the hunt with his cold, mechanical stare fixed on his prey. IG-88 is the second statue in the new 1/8-scale Collector's Gallery line, celebrating 40 years of the *Star Wars* universe. Each limited edition, hand-painted piece is cast in high quality polyresin with crisp details. This statue also comes individually numbered with a matching Certificate of Authenticity. (STL053214) Scheduled to ship in September 2017. (5498/80736) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

STAR WARS: PRINCESS LEIA ORGANA "HERO OF YAVIN" MINI-BUST

In the triumphant scene at the end of *Star Wars: A New Hope*, we see Princess Leia decorating Luke Skywalker and Han Solo with the Medal of Yavin, for their gallant effort that resulted in the destruction of the Imperial Death Star! This amazing mini bust illustrates the pride that Leia shows at the end of the film as she knows the Death Star has been destroyed and no other planets will face the same fate as her home world. She stands proudly on the stage with her fellow heroes of the Rebellion. This mini bust was digitally sculpted by Gentle Giant's master artisans, using actual archival footage and designs. Each bust is rendered using the highest quality polystone, and is hand painted to exacting detail. All of the pieces in this series are individually numbered and paired with a matching Certificate of Authenticity. (STL053210) Scheduled to ship in September 2017. (5498/80463) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

TEENAGE MUTANT NINJA TURTLES: MICHELANGELO 12-INCH STATUE

Cowabunga dudes! Michelangelo, the youngest turtle, is known for his bright orange bandana, dual numchucks, and his undying love for pizza. Despite being the baby of the group, many suspect Mikey to possess more raw talent than his three brothers combined. Bringing a carefree attitude to the TMNT brotherhood, Mikey is prone to goofing off instead of focusing on his training. However, he is praised by Master Splinter and his brothers for being able to taunt and antagonise his opponents to beat them. For display versatility, Mikey features an additional head sculpt to show his more playful side. KINGDOM HEARTS

KINGDOM HEARTS 0.2: BIRTH BY SLEEP PLAY ARTS KAI: AQUA FIGURE

KINGDOM HEARTS II: RIKU STATIC ARTS GALLERY STATUETTE

KINGDOM HEARTS 0.2: BIRTH BY SLEEP PLAY ARTS KAI: AQUA FIGURE

From Square Enix. Aqua, the first female protagonist in the *Kingdom Hearts* series, has the inner fortitude to withstand adversity. This Play Arts -KAI- figure is sure to please as it showcases her unwavering spirit in its expression. The various included accessory parts allow for a multitude of action poses. The paintwork, varying calculated intensities of light and shadow, gives her a realistic presence, all while taking great care to show off of her signature blue color. We also aimed to give her armor and keyblade a heavy feel through the paint-applied metal textures. Whether she is charging gallantly into battle with Rainfell or showing her softer side in scenes with Terra and Ventus, we have condensed every bit of her charm into this figure to make it quintessentially Aqua. (STL050829) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in August 2017. (1089/662248817736) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

KINGDOM HEARTS II: RIKU STATIC ARTS GALLERY STATUETTE

From Square Enix. The Static Arts Gallery series is focused on pursuing the faithful depiction of characters within its 6-inch size limitation. Now Riku as he appears in *Kingdom Hearts II* will be the latest to join the lineup! Despite its small scale, this figure's exquisite paintwork is applied down to the fine details. Furthermore, the delicate and intricate design of the sculpt will surely surprise those that pick up the figure with all the details in his hair and clothes. The star and shadow at his feet are created with translucent material to appear as though the star is casting light at Riku's feet. The presentation is a vivid reminder of the theme of light and darkness that is rooted in *Kingdom Hearts*, and so carefully expressed in the character of Riku. (STL050824) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in September 2017. MARVEL UNIVERSE VARIANT PLAY ARTS KAI: DOCTOR STRANGE FIGURE

From Square Enix. Dr. Stephen Strange first made a name for himself as a brilliant American brain surgeon. After seven grueling years of training, however, he obtained the power of the mystical arts and became an unlikely kind of superhero. His name? *Doctor Strange*. His signature cape can be inverted for a multitude of poses, while the exaggerated contrast unique to the paintwork of the Marvel Universe Variant series brings out his profound presence. Articulated areas such as the chest, shoulders and hips incorporate flexible materials to allow for a wide range of motion. With magic glyphs and effect parts constructed with translucent materials and interchangeable hand parts, our *Doctor Strange* figure can be posed in various dynamic ways. Figure includes display stand. (STL051331) Scheduled to ship in October 2017. (1089/662248819372) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

CRITICAL ROLE: TAL DOREI CAMPAIGN SETTING HC

(W) Matthew Mercer, James Haeck

Critical Role has taken the roleplaying world by storm and now you can join the adventure! Until now, the wondrous and dangerous lands of Tal'Dorei have been the sole stomping grounds of the show's adventuring company, Vox Machina. But now, you can explore these realms in a tome from the pen of Game Master Matt Mercer himself! Will you find one of the revered Vestiges of Divergence or perhaps discover part of the Chroma Conclave's legacy? Can you help the Ashari in their sacred charge to prevent the elemental vortices from overwhelming the world, or will you find yourself embroiled in the machinations of the Clasp? This setting book takes an in-depth look at the history, people, and places of Tal'Dorei, and includes new backgrounds, magic items, and monsters for the Fifth Edition rules. (STL052973) (C: 0-1-2)

DINOSAUR ISLAND BOARD GAME
The theme park biz is a totally different world since scientists discovered dinosaur DNA and patented the process of creating Dinosaurs in labs. Remember when a new coaster could bring in a crowd? Ha! Try the latest, petrifying carnivore from the Cretaceous period and you've got yourself an audience! So, you think your little company can make it in this world? Hopefully you've ironed out the logistics. Competing in Dinosaur Island takes more than just creating the rarest dinos in your fancy private lab, especially when owners go rogue and the dinos get ever bigger without accounting for the security those bad boys take. You want your guests eating dinner at the park — not becoming it! (STL052996) (C: 0-1-2)

SCOTT PILGRIM`S PRECIOUS LITTLE CARD GAME

Being a grown-up is hard and maybe not worth it? You might rather spend time tweaking your band`s set list until its guaranteed to get you that big gig opening for legit rockstars. Perhaps you`re better off dating someone a bit younger than chasing a fairytale romance with the age-appropriate girl (or boy) you met at a party. Maybe the drama constantly engulfing your pals feeds you, even if it`s bringing your friends down. And, don`t adults just sit at desks all day worrying about how bread makes you fat? Do adults ever even get attacked by random robot ruffians determined to pick a fight? A deckbuilding game that challenges you to grow up and prepare for your finest hour, players in Scott Pilgrim`s Precious Little Card Game assume the roles of their favorite characters in the Scott Pilgrim universe, each with their own, unique starting deck. Innovative double-sided cards let you decide whether to solve your problems with hard work and empathy, or whether to embrace the unpredictable world of gratuitous video game violence. Meet the Creators!

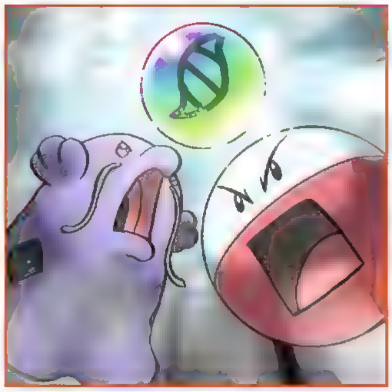
HIDENORI KUSAKA is the writer for VIZ Media's POKÉMON ADVENTURES. In addition to writing manga, he also edits children's books and plans mixed-media projects for Shogakukan's children's magazines.

SATOSHI YAMAMOTO is the artist for VIZ Media's POKÉMON ADVENTURES, which he began working on in 2001, starting with volume 10. Yamamoto launched his manga career in 1993 with the horror-action title KIMEN SENSHI, which ran in Shogakukan's WEEKLY SHONEN SUNDAY magazine, followed by the series KAZENO DENSHOSHA. He loves films, monsters, mysteries, punk rock music, and livin' the good life.

Artist **SATOSHI YAMAMOTO** uses the Pokémon Swalot as his artist portrait.



Writer **HIDENORI KUSAKA** uses the Pokémon Electrode as his author portrait.

VENICE GN

Recommended by Sarah

Do you recall the first time you watched a Studio Ghibli film? Your Disney-conditioned senses were primed and ready for animated hijinks at the speed of light. Instead, you were introduced to an animation studio that revealed the ordinary in an extraordinary way, letting the camera linger over cooking food, falling rain, bowing flowers, and silent moments with the characters. It was a delight and a wonder to slow down, to share that quiet intimacy with the characters on the screen, and to soak in the world that was built for you.

Let me introduce you to Jiro Taniguchi. He passed away in February of this year, but his works are still with us and just as powerful as ever. A gifted manga creator with a litany of titles to his credit, Taniguchi's manga preserves that same poised and graceful stillness that you glimpsed in Studio Ghibli's films. He presents us with the perfect moment, echoing slow, subtle, notes that press insistently upon the reader the sense of being fully human within a living world so much larger than any one of us.

Do not look to Taniguchi's works for the flashy, merchandisable characters and power-ups of the children's manga of Japan. Instead, prepare yourself to enter a fully realized world: each blade of grass, each window's reflection, each button on every coat, noted and placed, drawn with painstaking detail. Reading his works feels like an evening walk alone or an eye-opening journey to a new place. Peace, joy, melancholy, awe, and countless other introspective emotions linger in the linework of his pages. Taniguchi's genius was undoubtedly in his art, but also in his observation. This man absorbed places so fully—and the emotions they evoke so distinctly—that with but paper and pen, he transports his reading audience to *A Distant Neighborhood* (AUG161623), to *The Summit of The Gods* (FEB151449), to *A Zoo In Winter* (APR111049), and even, in his last work, to *Venice*.

Mark Hamill and the Iconic Role of Luke Skywalker

The release of *Star Wars: A New Hope* in 1977 changed the world and pop culture as we know it, and Beckett Entertainment takes a look back at all of the things that make the series great with *40 Years of Star Wars.*

As a retrospective view on its cultural influence, *40 Years of Star Wars* is filled with articles ranging from a countdown of the 20 most iconic moments from the franchise, to explaining what makes Darth Vader the ultimate villain, to the unexpected rise of Boba Fett, among many other storylines. Everything leading up to the recent *Rogue One: A Star Wars Story* is detailed in this book, making it worthwhile for hardcore and lapsed fans alike to check out the exciting behind-the-scene storylines.

Plus, fans will also be able to choose between three different covers (Luke, Princess Leia, and Darth Vader). With the recent revitalization of the franchise, take a stroll down memory lane on what made everyone fall in love with *Star Wars* from the very beginning.

SCOTT PILGRIM'S
PRECIOUS LITTLE CARD GAME
BY KEITH BAKER

Bryan Lee O'Malley latched onto something many people can relate to in his graphic novel series *Scott Pilgrim* from Oni Press. Titular character Scott Pilgrim struggles with many of the issues that everyone faces when their childhood comes to a screeching halt and the responsibilities of adulthood take center stage. Scott struggles with his love life, financial security, and a league of his new girlfriend Ramona Flowers' ex-boyfriends hunting him.

The graphic novel became a massive success for O'Malley. A movie directed by Edgar Wright hit the silver screen in 2010 and become a cult classic. Now we have a new exciting entry into the *Scott Pilgrim* universe. Renegade Games and Oni Press are working closely with O'Malley to design a deck building card game. If you've ever wanted to take over the role of Scott or one of his friends, take matters into your own hands, and bring the fight right to the league of evil ex's be sure to check out *Scott Pilgrim's Precious Little Card Game* from Renegade Game Studio this year.

THINGS YOU SHOULDN'T REMEMBER GN

Recommended by Trevor

Who hasn't had a moment of recollection that, when shared, drew the long stares of clueless friends or coworkers? What if those memories were suddenly verified by others, even just one or two? Alone, you might just be mistaken, but as a group of dozens or even hundreds, questions begin to arise.

Is this some kind of collective mania or shared hallucination? Is it perhaps something more sinister? Treating these memories like a spreading pandemic, a mysterious group known as "The Handlers" are hunting down and destroying those who recollect. Personifying blacklisted information in the form of these persecuted citizens, *Things You Shouldn't Remember* from Darby Pop Publishing challenges your assumptions about reality, shared memory, true history, and what Aldous Huxley called "the Doors of Perception." In an era of science deniers, alt-facts, and social unrest, Luis Roldan's story is timely, acerbic, and could not be more relevant.

Things You Shouldn't Remember is a frightening medley of adventure, humor, and horror that challenges our culture and the trustworthiness of our own minds.

BEST-SELLING COMIC: SECRET EMPIRE #0

"Controversial" is the active descriptive word for Marvel's Secret Empire. After revealing that the revived and revitalized Steve Rogers was actually an agent of HYDRA (through the workings of the Cosmic Cube, apparently). Now with Secret Empire #0, Nick Spencer, Rod Reis and Daniel Acuna kick off Marvel's big summer event as the secret society known as Hydra begins its takeover of the United States under the leadership of a corrupted Captain America... who may not have been as innocent as we were lead to believe in his earlier adventures!
